

## Advanced Placement / CLEP / Transfer Credits

<https://catalog.southernct.edu/undergraduate/transfer-credit-policies.html>

### Advanced Placement

- Students who have taken AP exams while in high school must have the official College Board score report sent to the office of [Admissions for First Year Students](#).
- A list of acceptable exams, scores, and college credit earned can be located on the catalog page linked at the top of this page.
- AP scores are not calculated into CUM or Pre-req GPAs.

### CLEP

- Students who have taken CLEP exams must have the official College Board score report sent to the office of [Admission for Transfer Students](#).
- Students have the option to take a CLEP exam in place of a full semester of a course. The list of acceptable CLEP exams, scores, and course equivalencies can be found on the catalog page linked at the top of this page.
- Students who receive credit for a course that is listed as a nursing pre-req must score higher than a 51 on the exam to meet the nursing requirement.
- CLEP scores are not calculated into CUM or Pre-req GPAs.

### Transfer Credits

- Students who earned college credit prior to enrolling at SCSU must have their official transcript(s) sent to the office of [Admissions for First Year Students](#).
- Students who plan to earn college credits at a different institution—while an active matriculated student at SCSU—must first complete an undergraduate [transfer credit request form](#) listed under the “Academics” section of this website - <https://inside.southernct.edu/onestop/forms>.
- Students who earn college credit at a different institution while an active matriculated student at SCSU must have their official transcript(s) with course grades sent to the office of [Admission for Transfer Students](#). Please note that students are not allowed to receive duplicate credit for a course, so a transfer credit approval form may be denied if you are retaking a course for a higher grade. If this applies to you, please reach out to your advisor for more information.
- Although grades and GPAs from other institutions do not transfer to SCSU, the School of Nursing will include them into the CUM and Pre-req GPA calculations at the time of the nursing application.
