How to Generate a "What-If" Degree Evaluation

To view requirements for various majors, minors, and concentrations

1. Follow the steps above
2. Once in your degree evaluation, click on "What-If" located on the top left next to "degree evaluation" under the first box
3. Enter your catalog year
4. Select your program of interest
5. Select your areas of study (concentration/minor- some programs may not have a concentration)
6. Click on the blue "Process" tab
7. To return to your original degree evaluation, click on "degree evaluation"

*If exploring minors while choosing Healthcare Studies (HLS) as the major, you must also enter your HLS concentration or the HLS major requirements will**not show**.

How to view Nursing Program Requirements

1. Follow the steps to generate a "What-If" degree evaluation
2. Under "Program" select "Nursing, B.S."
3. Under "Concentration" select "4-year Program"

The Nursing Prereq section (towards the bottom of your degree evaluation) will show grades, transfer grades, and AP/CLEP scores to determine if you have met the Nursing requirements with the appropriate grade/score.
