

2023 Environmental Health Training Program

Registration and Payment Instructions

Please read and follow these instructions carefully.

The 2023 EHTP will be conducted synchronously online (“live”), and attendance is required.

START HERE

- Registration and payment involve two separate steps.
- Both are important and should be accomplished together.
- Register first, then pay the fee at the link shown below.
- Your registration will be approved* *after* you pay the course fee.
- After your payment is received, you will receive a registration confirmation.

***Please note that approval of registration is not automated so it will take a little time.**

TO REGISTER

Choose which parts of the course you want to take and register for them in this way:

- Visit “CT Train” at <https://www.train.org/connecticut/home>.
- Sign in or create an account.
- Under “Search” click on “Courses,” which will take you to the course catalog.
- Type “Environmental Health Training Program” and click the search button.
- That will take you to the three 2023 courses associated with this program:

The screenshot shows three course listings from the CT Train platform. Each listing includes a price tag (indicated by a '\$' icon), the course title, a 'Meeting' button, and a star rating of 4.5 out of 5 based on 12 reviews. The courses are: 1) Environmental Health Training Program 2023 (Food Protection) Online, 2) Environmental Health Training Program 2023 (General EH Topics), and 3) Environmental Health Training Program 2023 Online (Sewage Disposal).

- To take the whole course you must register for each of the three modules.
- You will not be asked to pay at the CT Train site, but do that at a different site, described below.

WHEN REGISTERING

- You will be asked to choose “Type of Credit,” which gives you the choice to register for CHES (Certified Health Education Specialist) continuing education hours. Otherwise, select “None.”
- Your choices will be “CHES” or “None.” If you are not opting for CHES credits, choose “None.”
- Also, in “My Profile,” be sure to check all three boxes to be able to receive emails and notification
- Please remember you must register for each course separately, even when paying for all 3 courses

PAYMENT OF THE COURSE FEE

- To pay the course fee, visit the Southern Connecticut State University “Marketplace” portal at this link: [Pay for EHTP Here!](#)
- Have your credit card handy.
- Use the table below to determine the course fee.

Cost	Course Modules
\$500.00	Full Course: Food, Protection, Subsurface Sewage & General Topics
\$175.00	Food Protection ONLY
\$175.00	Subsurface Sewage ONLY
\$150.00	General Environmental Health Topics ONLY
\$350.00	Food Protection & Subsurface Sewage

Participation in the Environmental Health Training Program requires attendance at all sessions.
