Pg.3

SCSU is doing a hybrid schedule where some classes are on campus and others are online. Review your schedule and go over when and where classes are taking place.

Log in to Blackboard and get to know your professor, read over the whole syllabus and see what upcoming assignments will be as well as expectations for the course.

Get together any materials, textbooks, and programs you will need for your classes. If you need assistance purchasing textbooks contact the Dean of Students.

If you are a commuter or taking classes from home and need assistance with internet access or computer access contact the Dean of Students.
