From: Deborah Weiss, President, SCSU Faculty Senate  
Subj: Invitation to Apply for Faculty Creative Activity Research Grants for FY 2020-21

---

On behalf of the Faculty Senate, I am very pleased to announce the continuation of the Faculty Creative Activity Research Grant (FCARG) Program, a funding resource that supports faculty creative activity. You are hereby invited to submit an application for funding for **Fiscal Year July 1, 2020, to June 31, 2021**. This research grant program was created as a result of Faculty Senate Resolution S.10.3.

The FCARG application process is modeled on the CSU-AAUP grant application process. Applications are individually reviewed and judged based on merit. All tenure-track and tenured faculty are eligible and encouraged to apply.

**Details:**

- The grant award is standardized as a \$2,500 stipend; accordingly, applications are not to include a budget.
- Individual and joint applications are welcome, however joint awardees split the stipend.
- Seven copies of the completed application must be submitted to the Office of Faculty Development (Buley Library, Room 216).
- The deadline for submission of an application is **4:00 PM, Wednesday, October 2, 2019**.
- Applications will be reviewed by the University Grants Committee, which will send recommendations to the Office of the Provost by 4:00 PM on **Monday, November 11, 2019**.
- Grant awards will be announced by the Office of the Provost by **Monday, December 2, 2019**.

The 2021 Faculty Creative Activity Research Grant Guidelines and Application will be available on the Faculty Senate website at: <http://www.southernct.edu/faculty-staff/faculty-senate/> by clicking on the FCARG 2020-2021 Guidelines and Application sidebar. Due to the fact that we are in transition as we archive the previous FS website and bring the new site live, it may take another week or so until the documents are updated.
