

Transition of Evaluation Files from Paper to Digital

The schedule below outlines the transition of evaluation files from paper to digital. Any faculty member who was eligible to submit a paper file for renewal in AY 2018-2019, or earlier, will have the option of paper or digital submission through tenure and promotion until (and including) 2023-2024. There shall be no restrictions on these eligible faculty in the medium they choose to submit their file until the year 2024-2025 when all files are required to be submitted digitally.

All first-year renewal and professional review files must be submitted digitally from 2019-2020 onward.
