Important Advising Information:

Art Courses in the First Year:

It is vital for majors to have completed ART 112, ART 113, and ART 150 by the end of their 1st year to stay on track to a timely graduation. If students took ART 150 in the fall, they should take ART 151 in the spring. Further, students should consider taking ART 104 and 105 as soon as possible.

Math Requirement Information:

- This major does not have a specific T1QR requirement. MAT 103 or 104 recommended.
- If student is already taking a different math course towards T1QR, they don't need to take MAT 103.

Minimum Grades:

- Student must earn minimum grade of a "C" in all major and concentration courses.

Credits:

- Student must take at least 50% of their studio art credits at Southern.
