

BS TO MAT: PRE- ACCELERATED ATHLETIC TRAINING

NOTE: THIS PROGRAM HAS A SEPARATE ADMISSION PROCESS – CONSULT THE ADMISSIONS REQUIREMENT FOR THE PROGRAM ON THE WEBSITE AND IN THE CATALOG.

CATALOG TERM FALL 2023 FIRST YEAR COURSE SELECTION.

1st Year, 2nd Semester Course Selection:

Majors SHOULD take the following courses (if not already taken):

- T1WC: English 112: Writing Arguments
 - ENG 120 if they have taken ENG 119 – for bilingual students
- Math in sequence to T1QR: MAT 100/100p, MAT 107
- Students should be sure to take by the end of first year:
 - BIO 120 or BIO 104. BIO 104 is preferred course to take Spring 2024. This is a new offering, it is not on the degree evaluation. However, the department chair will process a workflow to have 104 meet the 120 requirement.
- T1MC: Students should take a language course, at a placement level.
- Remaining courses: Students should take LEP Tier 1 and Tier 2 courses. See degree evaluation for restrictions.

Important Advising Information:

Math Requirement Information:

MAT 100/100p, MAT 107

LEP T1/T2 Restricted Courses:

T1QR: MAT 107

T1MB: PSY 100

T2PR: CHE 120

T2LE: BIO 200

List other important information here:

- This program has a separate admission process. Please consult the admissions requirement for the program on the website and in the catalog. Students must review these to understand requirements.
<https://www.southernct.edu/program/athletic-training-bs/mat-accelerated>
- Students must follow their academic map to ensure they are on track with course sequencing.
- Students will need a 3.0 and meet technical standards.
- A student seeking admission must meet with or without reasonable accommodations technical standards established to insure graduates are capable of fulfilling physical and mental requirements for professional practice. These include abilities and skills in five categories: observation, communication, motor, intellectual and behavioral/social. Students must have a physician verify their ability to meet these technical standards with or without reasonable accommodations on a signed submitted technical standards form which is available on the Athletic Training Program website. If there any questions, please contact the Athletic

Training Program Director at rothbardm1@southernct.edu. Candidates requiring accommodations should contact the SCSU Center for Academic Success and Accessibility Services(CASAS) at Accessibility Services | Southern Connecticut State University (southernct.edu). Information regarding the process and policies can be found on the DRC website.

- Completing the 3+2 program on time requires students to complete a minimum of 16 credits including one lab-based science course every semester. Students will also need to either take one summer/winter course or 18 credits during a fall or spring semester to reach 98 credits in 6 semesters.

Ideal Academic Map

Fall 2023

LEP Tier 1: INQ
LEP Tier 1: ENG 112
LEP Tier 1: CT option
LEP Tier 1: MAT 107
LEP Tier 1 TF option

Spring 2024

LEP Tier 1: MC
LEP Tier 2: PSY 100
LEP Tier 2 option
LEP Tier 2 option or PCH 200
BIO 104 preferred over BIO 120
