<input type="checkbox"/> 4. CT resident who is a dependent child of a person whom the Armed Forces has declared to be MIA or a POW while serving after 1/1/60	Required: Military Status Document Required: Dependency Document

Under Connecticut state statutes, tuition at Connecticut public colleges and universities may be waived for eligible persons, who must satisfy all of the following requirements (eligibility is not retroactive):

- Be honorably discharged or released under honorable conditions from active service in the U.S. Armed Forces: U.S. Army, Navy, Marine Corps, Air Force and Coast Guard **or** National Guard members in good-standing, activated under Title 10 of the U.S. Code, and
- Have served at least 90 or more cumulative days active duty in time of war except if separated from service earlier because of a federal Department of Veterans Affairs (VA) rated service-connected disability; or the war, campaign or operation lasted less than 90 days and service was for the duration, and
- Be formally admitted for undergraduate or graduate study at SCSU to receive the 100% tuition waiver for credit courses, although you do not have to declare a major initially, and
- Be domiciled in Connecticut at the time of acceptance, which includes domicile for less than one year. If you applied to SCSU with an out-of-state address, you become domiciled when you get a CT address.

Other college costs such as books, fees, parking, and room and board are not waived. Summer and intersession courses are not assessed tuition; therefore, there is no tuition waiver during these terms. Eligible veterans can receive a 50% waiver of the extension course fee.

For students receiving VA Education Benefits:

- You are required to be matriculated (formally admitted) into an eligible degree program at SCSU within two (2) semesters or your benefits will be suspended. Please note that the following program is not eligible to be certified for Veteran Education Benefits: UG Certificate in Spanish and Latino Cultures for Healthcare Professionals, GR Certificate in Applied Statistics, GR Certificate in History, GR Certificate in Physics Nanotechnology, BS in Special Elementary Education.
- Classes that are successfully completed may not be certified for again for VA purposes if they are repeated; however, if a student fails a class, or if a program requires a higher grade than the one achieved, that course class may be repeated and certified to VA again.
- Notify your Certifying Official in the Student Accounts Office if you are taking a course outside of your planned program of study, only courses that satisfy requirements for the program of study can be certified for VA purposes.
- Your benefits will continue to be certified for each subsequent term that you enroll at SCSU without any further action on your behalf, unless you notify your Certifying Official in the Student Accounts Office that you wish to suspend certification.

By my signature below I certify that I have read and understand all the above.
