Student Name: _____ **Student ID:** _____

Term and Award Year (Example: Spring 2021): _____ **Date:** _____

In the event that a student fails to maintain satisfactory academic progress and is no longer eligible for federal student aid funds, an appeal may be granted in limited circumstances on a case by case basis. This form serves as an appeal for reinstatement of financial aid. Students must remain matriculated to have this appeal reviewed and to receive financial aid should this appeal be approved.

In order to request a satisfactory academic progress appeal please submit the following with this form:

1. A typed written appeal letter which:
 - a) Describes the circumstances that prevented you from meeting the required SAP standards.
 - b) Outlines how the circumstances have changed, enabling you to meet the SAP standards going forward, and the actions you will take to improve your academic performance.

2. Attach supporting documentation of the circumstances. Documentation must be on official letterhead and include the student's name and student ID. Examples of supporting documentation include:
 - Doctor's note or letter from a physician
 - Legal documents
 - Police report/court documents
 - Other official documents that support the appeal

I understand that I must ensure that my bill is paid even if an appeal decision has not yet been made. Incomplete appeals will not be considered for approval. I understand that if this appeal is granted I am required to meet the conditions that will be outlined in my SAP Academic Plan and agree to meet with a member of the Academic Advising team to develop a plan for academic success. Please sign using a pen or [digital signature](#). Electronic signatures are not accepted.
