RE: ADDENDUM #1 RFP 22-SCSU-05 – Management of Dining Services

Addendum #1 contains important information regarding this RFP:

The Bureau of Education and Services for the Blind (BESB) a unit within the Connecticut Department of Aging and Disability Services is exercising its statutory right of first refusal to operate dining facilities as SCSU. However, given the magnitude of this project, BESB intends for its designated operator to act in conjunction with the food service management company that submits the winning bid. It will be up to BESB's designated blind operator and the food service management company to define the respective roles, responsibilities and compensation of the blind operator. Prospective food service management bidders should call Tyrell Sampson, Business Enterprise Program Supervisor, Tyrell.sampson@ct.gov for details.
