RE: ADDENDUM #2 RFP 22-SCSU-05 – Management of Dining Services

---

Addendum #1 contains all of the questions received and the corresponding answer to these questions.

Q1. Do the meal plan counts in the RFP represent pre-COVID and does SCSU anticipate returning to these counts for FY2023? If not, what are the anticipated meal plan counts for FY2023?

A1. Yes. These are pre-COVID numbers. Current numbers are approximately 1050 Board Meals and approximately 550 apartment meal plans. It is anticipated by the University that these numbers will not reach pre-COVID levels in FY23 but may increase slightly from the current levels.
