CAMPUS SECURITY REPORT

I. Introduction

The annual Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Report for 2010 has been prepared by the Southern Connecticut State University Police Department. This publication was prepared in collaboration with the assistance and support of many individuals and units at the university.

The report will inform the campus community of crime prevention programs and services offered at the university and will increase awareness of potential crime on campus.

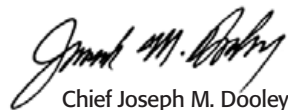

This annual report includes mandated crime statistics for the 2007, 2008 and 2009 calendar years. The statistics reflect specific reported crimes that occurred on campus, as well as those that occurred off campus, but involved individuals affiliated with the university. This report also includes incidents that occurred within the university's nine residence halls. The 2010 report also includes a section dedicated to fire safety and incident information for the above men-tioned years. The fire safety report outlines fire safety practices, standards and residential fire-related statistics.

It is our goal to reduce crime through crime prevention initiatives and proactive patrol services. We hope you find this information useful and recognize by the contents that Southern remains committed to providing a safe learning environment.

This report is available to all students, faculty and staff on-line at:

<http://www.southernct.edu/universitypolice/campuscrimereport/>

Copies of this report are available in the lobby of the University Police Department, located in Granoff Hall. The report is also available, upon request, to any student, faculty or staff person and to the general public.

Chief Joseph M. Dooley

Preparing the Annual Campus Security Report

The SCSU Police Department is responsible for preparing and distributing the Annual Security Report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The Annual Security Report is published every year by Oct. 1 and contains three years of selected campus crime statistics and specific campus security policy statements as required by the Clery Act. The SCSU Police Department composes the Annual Security Report and assembles the statistical information with input from various sources, such as local law enforcement agencies and the Office of Student Affairs.

All crimes, even if one does not wish to pursue action within the university system or the criminal justice system, should be reported to the SCSU Police Department for the safety and security of the community and to ensure inclusion in the annual crime statistics.

SCSU Police Department Overview: Mission and Personnel

The SCSU Police Department is located in Granoff Hall in the heart of the SCSU residence life complex. It functions 24 hours a day, seven days a week throughout the year and has been in operation for more than 25 years. The University Police Department provides a full range of police services to ensure the safety and protection of the campus and

its university population of more than 13,500 faculty, staff and students, of which about 2,800 reside on campus. Situated on 171 acres, the campus territories include nine high-rise residence halls, 36 buildings, four sports fields, 12 parking lots, a 600-space parking garage and a 450-space residence garage.

The mission of the SCSU Police Department is to provide a safe environment for the faculty, staff, students, and visitors through its commitment to:

- R**eliability - to provide the absolute best service to this community
- E**ducation - to educate faculty, staff and students in all areas of crime prevention
- S**afety - to teach the community how to protect itself against crimes of opportunity
- P**rofessionalism - to conduct ourselves in a professional manner utilizing training and equipment
- E**nforcement - to enforce federal, state, and university laws and regulations
- C**ommitment - to provide a safe and secure environment for our community
- T**rust - to provide an atmosphere that is fair and impartial while maintaining the integrity and high standards of the Police Department and the university

Currently, SCSU police have 28 officers, including the chief of police, deputy chief of police, lieutenant, four sergeants, detective, and 20 patrol officers. There are also five dispatchers, one building and grounds officer, and 25 university assistants.

Authority and Jurisdiction

The police at Southern, as well as at Central, Western and Eastern Connecticut State universities, the Connecticut community colleges and the University of Connecticut are governed by Connecticut General Statutes 10a-142 and 29-18. University police have the duties, responsibilities, and authority of any duly organized police department, including comprehensive arrest powers. University police also have access to and use of all current law enforcement technologies. They interact with the state judicial system in relevant cases and assist other law enforcement agencies in carrying out their mission.

The SCSU Police Department jurisdiction is primarily defined by the geographic limits of property owned or controlled by the university and the immediate perimeter. It provides assistance to neighboring municipal police departments when needed. Although there are no formal memorandum of understanding agreements at this time, university police work in collaboration with area law enforcement.

Daily Log

The SCSU Police Department maintains a daily log of all crimes reported to the department. The log lists the nature of the crime, the date, time and general location of the crime. Entries or updates within two business days may be withheld if the information is protected by statute, if there is a danger to the victim or a need to keep the investigation confidential.

If there is reason to believe that release of information will result in the perpetrator leaving the area or that evidence will be destroyed, information may be withheld until the jeopardy no longer exists. The daily log is open to public inspection at the Police Department, located in Granoff Hall, for a 60-day period. Data more than 60 days old will be made available within three business days of a request for public inspection. Normal business hours are Monday through Friday, 8:30 a.m. to 4:30 p.m. All records required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act will be retained for a period of three years following the publication of the last annual campus security report to which they apply.

II. Emergency Response

Emergency Notification, Response and Evacuation

Southern, its sister universities and the Connecticut State University System office have implemented an Emergency Notification System (ENS) that reflects the commitment to protect and preserve the life, health and safety of the campus community and to safeguard the operations of the institution. The system is designed to quickly send emergency notifications and provide protective action information to campus members via telephone (land line and cell), text messaging and e-mail. Those who wish to be included in the system and receive notifications must opt in and sign up on the SCSU homepage under SCSUALERT. <http://www.southernct.edu/universitypolice/scsualert/>

SCSU police will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

The institution will promptly determine the content of the notification and initiate its dissemination, unless such a notification would, in the professional judgment of the Police Department, compromise efforts to assist victims or to otherwise address the emergency.

When a situation is reported to SCSU police, the department will immediately respond and investigate. An activation approval process has been

developed involving key university administrators who will approve the release of the notification. In dire emergencies, this task may fall to the police department so as to not delay the notification. An implementation task force has developed the messages that will be used for this emergency notification.

The university uses the Incident Command System structure for emergencies and the system would be implemented if and when the release of information is deemed necessary and appropriate. In most instances, activation of the system would involve approval of the university president.

Notification measures to the larger community for emergency situations include the ENS, campus e-mail, vehicle and portable public address, the SCSU Information Line, student portal, SCSU radio and television and media release/press conferences.

All measures involve the Police Department, the Office of the Executive Vice President, the Office of the Vice President for Student and University Affairs, Office of Public Affairs and Facilities Operations Department. The institution will test the ENS system annually in accordance with the Emergency Management Plan.

Evacuation Procedures

A workplace emergency is an unforeseen situation that threatens employees, customers, or the public; disrupts or shuts down operations; or causes physical or environmental damage.

Emergencies may be natural or manmade and include the following:

- Floods
- Hurricanes
- Tornadoes
- Fires
- Toxic gas releases
- Chemical spills
- Radiological accidents
- Explosions
- Civil disturbances
- Workplace violence resulting in bodily harm and trauma

In the event of an emergency, you may be required to evacuate your workplace. Announcements will be made, and the university will implement the Emergency Notification System, SCSUALERT, which conveys important information to the campus community in the event of an emergency, weather-related closing/delay or other potentially hazardous situation. If you have access to radio, television, or the Internet, use these resources to keep informed and follow whatever official orders you receive.

Three important things to remember are:

1. Remain calm
2. Do not take unnecessary risks
3. Follow instructions

In the event of any emergency requiring a building evacuation, leave the building immediately and move a minimum of 300 feet away from affected buildings. Activate the fire alarm as you leave. Call the University Police Department from a safe location by dialing 911 or (203) 392-5375. Do not re-enter the building until emergency personnel declare it safe.

If an emergency is weather related, you may not be required to evacuate. Instead, you may be required to take shelter in a portion of the building in which you are located at the time and await further instructions. Severe weather evacuations will be evaluated based on the type of emergency, the imminence of the danger and recommendations from the state Department of Emergency Management and Homeland Security.

When community evacuations become necessary, local officials provide information to the public through the media. In some circumstances, other warning methods, such as sirens or telephone calls, also are used.

SCSU has a Continuity of Operations Plan (COOP), which ensures that the university can carry on all essential functions in case of a natural or manmade disaster. It outlines steps that the university will take in the event a disaster interrupts typical, normal operations.

Missing Student Notification

When a student is unaccounted for and deemed missing from a university residence hall and/or campus, a report must be made concerning the missing status of the student to the University Police Department as soon as possible. In addition, a report will be made to the Office of Residence Life and/or the dean of student affairs, followed by a thorough check within the student's residence hall and the academic areas as determined by the student's course schedule.

Upon receipt of the missing student information, university police will begin an immediate investigation to attempt to locate the student. It is important to emphasize that a student does NOT have to be missing for 24 hours for university police to begin efforts to locate that individual. Rather, these efforts may begin as soon as it is reported that the student is missing.

Students living on campus may register the name of a confidential contact person to be notified if they are later determined to be missing. Only authorized campus officials and law enforcement officers working on a missing person investigation may have access to this information. All students, even if they have not registered a contact person, are advised that their hometown law enforcement agency will be notified if they are missing. The parent or guardian of any student under 18 years of age and not emancipated must also be notified as well.

Official missing student reports are to be referred immediately to the SCSU Police Department and/or the local police department. Missing students can be reported by calling the police dispatch center at (203) 392-5375 or by dialing 911.

Timely Warning Policy

If a situation arises, either on or off campus, that constitutes an ongoing or continuing threat to the campus community, a campuswide "timely warning" will be issued by the university within 24 hours. Timely warnings are generally issued by university e-mail, but may also be issued via the SCSUALERT system. Crime alerts will be printed on blue-colored paper and posted on the primary bulletin board of each campus building.

III. Crime Prevention, Safety and Security Awareness Programs

Crime prevention programs are critical to educating the campus community and reducing crime. The SCSU Police Department sponsors several crime prevention programs to emphasize awareness and offer education on methods to reduce the opportunities of becoming a victim. Southern police distribute materials and make frequent presentations to familiarize students, faculty and staff with their shared responsibility in preventing crime. The programs and initiatives are listed as follows.

Bike Patrol Unit

The University Police Department has a nine-officer bike patrol unit that was started in 1994 and operates year round. The officers are certified police cyclists through the International Police Mountain Bike Association (IPMBA). Implemented to increase visibility and approachability of the officers on campus, the bike patrol unit offers positive community relations and a practical approach to patrolling in an urban setting.

Blue Light Emergency Telephones

At strategic locations throughout the campus, Blue Light Emergency Telephones have been installed that connect the caller immediately and directly to university police. The police can identify the exact location of the caller and will send an officer immediately.

Environmental Safety Design and Maintenance of Campus Landscape

University police work with the Facilities Operations Department in overseeing the physical safety of the campus landscape. With the assistance of facilities operations personnel, overgrown bushes, trees and brush on campus that may provide cover for criminal activity are regularly trimmed or removed to maximize visibility and safety. University police also make recommendations on the effectiveness of campus lighting to deter crime, ensuring that buildings, entrances and exits, stairs, pathways, parking areas, ATMs, emergency phone locations, sports and recreation areas, laundry rooms, and storage areas are well-lit.

Law Enforcement and Residents Networking (LEARN)

LEARN is a cooperative effort between the university police officers and Southern community members who strive for proactive communication to effectively report, respond and prevent crime. In addition to providing safety through regular patrols, university police are further promoting crime prevention through the education and positive interactions with the Southern community.

Each residence hall, or "neighborhood," has at least one police officer who has volunteered time to the program. Each LEARN officer monitors trends within that neighborhood, provides educational seminars and is available to that particular community for information, mentoring and training. Police officers in each of the Southern community neighborhoods are committed to promoting a safe learning environment. Our goal is to empower each member of the community through safety education.

Operation SAFE: Pedestrian Safety Awareness for Everyone

The SCSU Police Department, in an effort to promote pedestrian safety, encourages the students, faculty and staff to practice good pedestrian safety skills by following the noted Pedestrian Safety Guidelines. This initiative educates our university community in the importance of using clearly marked and designated crosswalks while crossing on a daily basis the streets that traverse our campus. Pedestrian Safety Guidelines:

1. Cross the street only at intersections and do not jaywalk.
2. Use only marked crosswalks.
3. Do not cross in the middle of the street or between parked cars, as drivers are not expecting pedestrians to cross mid-block.

Guidelines continued on next page.

4. When crossing streets, before you enter the crosswalk, make eye contact with drivers approaching the crosswalk to ensure traffic has stopped.
5. Stop at the curb and look left, right and left again before you step into the street. Be sure to evaluate the distance and speed of on-coming traffic before you step out into the street to ensure that a vehicle has adequate distance in which to stop safely.
6. Remember don't take those "NO RIGHT TURN ON RED" signs for granted and always check for turning vehicles before stepping off the curb.
7. Avoid walking in traffic where there are no sidewalks or crosswalks. If you have to walk on a road that does not have sidewalks, walk facing traffic.
8. At intersections, scan over your shoulder for turning vehicles to make sure that the driver knows you are there.
9. Wear bright colors or reflective clothing if you are walking near traffic at night and/or carry a flashlight.
10. Use extra caution when crossing multiple lanes for higher speeding vehicles, while paying attention to the on-coming lanes of traffic.
11. Always look for signs that a car is about to move (rear lights, exhaust smoke, sound or wheels turning) and never walk behind a vehicle that is backing up.
12. During inclement weather (rain or snow) allow extra time and distance for a vehicle to stop and do not let your umbrella or jacket hood block your view of approaching traffic.
13. If your view of approaching traffic is blocked by something, move to where you can see, stop and look left-right-left again.
14. Never run or dash into the street.
15. Watch out for entrances to parking lots, including sidewalks that cross driveways and entrances to them. Always check for cars entering or exiting the parking lot.
16. If the intersection has a pedestrian signal, press the button and wait for the pedestrian signal to display the "WALK" indicator, which indicates that it is safe to proceed into the crosswalk. You should continue to be alert for traffic at all times while in the roadway and always check for turning vehicles.
17. A flashing "DON'T WALK" signal means that a pedestrian should not start to cross the roadway and that there is probably not enough time left in the cycle for you to cross the street safely. But any pedestrian who has partially completed their crossing should finish crossing the street or proceed to a safety island in the same direction in which they were headed.
18. A steadily illuminated "DON'T WALK" signal means it is not safe for a pedestrian to enter the roadway in the direction of the signal and you are to wait to cross for the next "WALK" signal to cross safely.

Rape Aggression Defense (RAD)

Sponsored by the SCSU Police Department, the Rape Aggression Defense system is a program of realistic self-defense tactics and techniques for women. It is a comprehensive, women-only course that begins with awareness, prevention, risk reduction and risk avoidance, progressing to the basics of hands-on defense training. The courses are taught by nationally certified RAD instructors and provide each student with a workbook/reference manual. At SCSU, there are four certified instructors. The training extends across five or six weeks, and the sessions are about two hours each. The course is free and open to all female employees and students of the university.

Silent Witness Program

The Silent Witness Program allows students, faculty and staff to report suspicious activity and crimes via the Internet while remaining anonymous. If anyone has witnessed a crime or knows of a crime that was committed or will be committed, simply fill out and submit the Web form. A member of the SCSU Police Department will investigate the information provided. The sender will not be contacted unless they provide contact information. All tips remain anonymous. Please keep in mind this program is intended to assist the SCSU Police Department and is not intended for crimes in progress or for emergencies. Dial 911 in those instances.

Shuttle Bus Service

The SCSU Police Department provides a shuttle bus service with five 25-passenger buses and two smaller vans with a lift platform to accommodate wheelchairs and scooters. Currently, there are 10 enclosed bus stops located throughout the campus in high pedestrian traffic areas. The shuttle service runs from 7:30 a.m. to 3 a.m. Monday through Thursday and from 7:30 a.m. to 5 p.m. on Friday. After midnight, a student may request a shuttle by calling the University Police Department at (203) 392-5375. Shuttles also will go to Union Station, New Haven, on Friday from 7 a.m. until 5 p.m. and will also go to the Hamden Plaza, Westfield Shopping Mall (Milford) and downtown New Haven on Saturday and Sunday from 1 p.m. until 9 p.m.

Walking Escort Service on Campus

The University Police Department offers an on-campus walking escort service 24 hours a day for safety. Members of the SCSU community can simply call the department at (203) 392-5375, state their name, location and destination, and an officer or a student campus watch assistant will accompany that person, as long as the route is on university property.

Controlled Access to Campus Facilities

During business hours, Southern (excluding housing facilities) will be open to students, parents, employees, contractors and guests. During non-business hours, access to all university facilities is by key or by admittance via the SCSU police. University facilities are open to the public during the day and evening hours when classes are in session. Access to classes and programs is restricted to those enrolled in them. When Southern is closed, university buildings are generally locked. Some university-sponsored programs are open to the general public while others are restricted to students and staff with a valid Southern ID. All residence halls have limited access, with some halls having all outside doors locked on a 24-hour basis and other halls having only main doors unlocked during daytime hours. The residence hall front desks are staffed on a 24-hour basis during the week. Student community coordinators and advisors make regular rounds throughout the buildings, checking to see that outside doors are locked and that floors are quiet. Southern reserves the right to enter rooms to assure proper maintenance and repair, to provide for the health and safety of residents and to investigate suspicion of a violation of university regulations or laws. During extended breaks, the doors of all halls will be secured 24 hours a day. Only those with prior approval will be admitted to facilities during extended breaks.

Individual Counseling and Referral

Students can talk to a licensed professional about personal issues concerning their own use of alcohol or other drugs or that of a friend or loved one. All services are free and confidential to registered students. Please call the University Counseling Services Department at (203) 392-5475 to set up an appointment.

Drug and Alcohol Resource Center (DARC)

The Drug and Alcohol Resource Center (DARC) provides free and confidential screening, evaluation and counseling to those concerned about their own substance use and those in violation of the university alcohol and drug policies. In addition, the DARC office serves as a storehouse of information on alcohol, tobacco and other drugs with pamphlets, books, journal articles and other materials available to students, faculty and staff. For more information, visit the office in Schwartz Hall or call (203) 392-5087.

Anti-Drinking and Driving Program

In partnership with the University Police Department, the SCSU Drug and Alcohol Resource Center sponsors numerous anti-drinking and driving educational programs. There are many opportunities for students to get involved in anti-drinking and driving programs and prevention activities. Please call (203) 392-5087 for more information or to get involved.

Drug and Alcohol Self-Help Groups

Al-Anon, Alcoholics Anonymous and Narcotics Anonymous groups meet weekly throughout the New Haven area. An Alcoholics Anonymous meeting is held on campus at 8 p.m. on Sundays in Engleman Hall, Room B121A, and is open to all members of the campus community. Schedules with meeting days, times and locations may be obtained by calling (203) 392-5087 or can be picked up at DARC. The Al-Anon in Action Group (AFG) meets Sundays at 7:30 p.m. in Engleman Hall, Room B210. Meetings are open to all students and their family members, as well as all members of the campus community. For more information, please contact DARC at (203) 392-5087.

Southern Task Force On Prevention (STOP)

This is a committee of students, faculty, staff and members of the New Haven community who are committed to reducing high-risk drinking and other drug abuse. STOP develops and coordinates prevention, education, intervention and treatment services for the campus community. STOP also promotes healthy and safe lifestyles and encourages personal responsibility. STOP welcomes student representatives to serve on the committee or volunteer for projects. Please call (203) 392-5087 if you are interested in getting involved.

IV. Reporting a Crime and Police Response

Community members, students, faculty, staff and guests are encouraged to report all crimes and public safety-related incidents to the University Police Department in a timely manner. To report an emergency on or off campus, call 911. To report a non-emergency crime, or public safety-related matter on campus, call the SCSU Police Department at (203) 392-5375. Dispatchers are available 24 hours a day.

SCSU police will respond as quickly and safely as possible to any request for assistance, whether it is an emergency or not. Response time is based on current activity and urgency of the call. Crimes in progress, alarms, traffic accidents with injuries, and medical assists have a higher priority than other types of calls. Police officers in vehicles, on foot, or on bicycles are eager to be of assistance and may be contacted directly. For off-campus offenses, we encourage prompt reporting to the proper local law enforcement agency.

We cannot overemphasize the importance of prompt and accurate reporting of crime. If a crime is not promptly reported, evidence can be destroyed or the potential to apprehend a suspect lost. If you witness a crime or emergency, promptly report it to the SCSU Police Department and be prepared to answer questions as accurately as you can. The subsequent investigation can only be as thorough as the information received. If you are the victim of a crime or you have seen or received information of criminal activity or other emergency, please contact the SCSU police immediately.

Confidential Reporting Procedures

If you are victimized by crime and do not want to pursue action within the university system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Chief of Police or a designee of the SCSU Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your desire to keep a matter confidential, while taking steps to ensure the future safety of yourself and others. This information allows the University to keep an accurate record of the number of incidents involving our community and determine if there is a pattern of crime with regard to a particular location, method or assailant so the campus community can be alerted to potential danger. Reports filed in this manner are counted and disclosed in the annual statistics for the institution. Pastoral and professional counselors also may encourage clients to make voluntary, confidential crime reports.

Reporting Sexual Assault

Rape and all forms of sexual assault are crimes under Connecticut General Statutes and also a violation of the institution's rules and regulations. SCSU provides educational programs on campus to promote awareness of rape, acquaintance rape and other sex offenses. These programs take place regularly in the Student Center, in residence halls and elsewhere on campus. Requests for police participation in these programs are coordinated through the Women's Center, Office of Residence Life, University Counseling Center, Department of Health Services, Social Work Department, Nursing Department, women's studies program and others.

If you become a victim of or witness to a sex offense, report it immediately to the SCSU Police Department by calling 911 or (203) 392-5375, 24-hours a day, seven days a week or contact any on-duty officer on campus. Your identity as a victim will be kept confidential by law. It is extremely important that sex offenses be reported immediately so that the crime scene and any evidence of the crime can be preserved and secured as soon as possible. It is also critical that you seek prompt medical attention so that a rape kit can be administered immediately and you can be screened for sexually transmitted diseases and pregnancy.

Support services are available for the victim through the SCSU Sexual Assault Response Team (SART), the University Police Department at (203) 392-5375 or the Women's Center at (203) 392-6946. Trained members are available to assist a victim 24 hours a day.

If the victim lives on campus, the Office of Residence Life will, at the victim's request, change the victim's living situation to whatever extent is possible and reasonable, to avoid an encounter with a student(s) accused of the crime. Similarly, the dean of student affairs may change the victim's academic schedule if requested by the victim to avoid contact with the accused.

Judicial Action

The SCSU Office of Judicial Affairs is responsible for ensuring a fair, just and impartial judicial process for students charged with violation of a law in connection with conduct that also violates the provisions of the Student Code of Conduct. The office also provides education and resources to foster respect and civility among all members of the university community. Call (203) 392-6188 for information.

<http://www.southernct.edu/judicialaffairs/scsucodeofconduct/>

University Disciplinary Procedures Regarding Sexual Assault

In cases of an alleged sexual offense, when the accused is a student, both the victim and the accused are entitled to have others present during a judicial disciplinary hearing. Additionally, both the victim and the accused must be informed of the outcome of any university disciplinary proceeding. Following a final determination of responsibility when the allegation involves a rape or other sexual offense, the university judicial officer may impose any sanction or combination of sanctions, including expulsion. Disciplinary proceedings under this Code may be carried out before, during or after civil or criminal court proceedings against the accused student.

Sexual Violence Education and Support

The SCSU Women's Center provides information, educational programming, referrals, victim advocacy and services on issues related to violence against women. The Center also maintains a resource room with information on sexual assault, stalking, domestic violence, dating violence, sexual harassment, women's health, body image, eating disorders and date rape drugs. The Women's Center is located in Schwartz Hall and is open Monday through Friday from 8:30 a.m. to 4:30 p.m.

Response to Sexual Assault: SART

The SCSU Sexual Assault Response Team (SART) provides a collaborative victim-centered team response to sexual assault that ensures a transition from victim to survivor for every individual whose life is affected by sexual violence. SART team members representing the Women's Center, University Counseling Center, Health Services Department, Office of Student Affairs, Office of Student Life, Multicultural Center, Office of Judicial Affairs, Public Health Department and Office of Residence Life provide a survivor with many supportive options including counseling, medical attention, judicial services, advocacy, referrals and general information regarding sexual assault. If a survivor chooses to file a police report, the University Police Department and the Women's Center staff will assist that person with the reporting process, empowering the survivor to make their own decisions by providing on- and off-campus resources and offering support as needed. The SART members will keep confidentiality as law permits and each is available to help anyone who reports a violation of the sexual assault policy.

V. General Safety Policies

Policy on Pluralism

Southern's policy on pluralism forbids acts of harassment or violence reflecting bias or intolerance based on an individual's race, religious creed, gender, sexual orientation, disability, ethnicity or cultural origin. The university also has adopted procedures for investigating complaints of acts of intolerance brought by students and staff. Southern endorses the Connecticut State University Policy Regarding Racism and Acts of Intolerance. That Policy is as follows:

The Connecticut State University declares:

Institutions within the Connecticut State University have a duty to foster tolerance;

The promotion of racial, religious creed and ethnic pluralism within the university is the responsibility of all individuals within the university community;

Every person within the university community should be treated with dignity and assured security and equality;

Individuals may not exercise personal freedom in ways that invade or violate the rights of others;

Acts of violence and harassment reflecting bias or intolerance of race, religious creed, gender, sexual orientation, disability, ethnicity or cultural origins are unacceptable; and

The university shall take appropriate corrective action if such acts of violence or harassment occur.

Anyone who has a complaint alleging an act of violence or harassment based on race, religious creed, gender, sexual orientation, disability, ethnicity or cultural origin should contact the Office of Diversity and Equity Programs, Schwartz Hall, (203) 392-5491.

A complaint against a university employee alleging a violation of this policy should be filed in either the Office of Diversity and Equity Programs in the Wintergreen Building or the University Police Department in Granoff Hall, (203) 392-5375.

Guest Policy for Residence Life

Policy on Alcohol and Drugs

The university recognizes that the misuse of alcohol or the use of illegal drugs represents a serious threat to the physical and mental well-being of its students and the entire community. Our common goal is to foster a university community where the intellectual development of students is free from the harmful effects of alcohol and drugs. Each person has a responsibility to help safeguard the community health by respecting university policy and intervening in situations of abuse. Addressing the drug and alcohol problem in our society and community requires caring, cooperation and support of every member of the university community. The SCSU Drug and Alcohol Resource Center provides education and support. Call (203) 392-5087 for more information.

Policy Violation: Family Educational Rights and Privacy Act Parental Notification

The university reserves the right as permitted by the Family Educational Rights and Privacy Act (FERPA) to notify parents/guardians if their son or daughter, under 21 years of age, has been determined to have violated the university's Alcohol and Drug Policy.

Drug and Alcohol Prevention Program Review

The university will conduct a biennial review of these programs and policies to determine their effectiveness, make changes where necessary and ensure that sanctions and interventions are consistently enforced. The following is intended to provide clear guidelines for members of the university community:

Alcohol

Campus policy permits the legal possession and legal consumption of alcoholic beverages at Southern under controlled conditions at registered special events.

All students of the university shall observe the laws of the state of Connecticut concerning alcoholic beverages.

As adults, all students of the university are expected to take personal responsibility for their own conduct.

The possession and consumption of alcoholic beverages shall be restricted to those persons who have reached the legal drinking age. SCSU has designated several "dry" residence halls, effective with the start of the fall 2010 semester. The use or possession of alcohol by any individual – including those who are 21 years or older – is prohibited in these buildings. They include Neff, Hickerson, Chase, Wilkinson and Farnham halls, as well as the West Campus Residence Complex.

The university reserves the right to request proper proof of age or identification from any person. Those attending a function must be members of the SCSU community or their escorted guests. Students are expected to consider the rights of others and use mature and responsible judgment concerning the use of alcoholic beverages.

Alcoholic beverages may not be served at any time without the prior approval of the appropriate designated agent.

Student clubs and organizations are not permitted to sponsor an event, on or off campus, where alcoholic beverages are served or provided unless the event is registered and approved by the dean of student affairs.

University recognized student organizations are prohibited from sponsoring "bring your own" events (on or off campus) at which individuals carry their own alcoholic beverages into the facility. An exception may be made for Parents Day/Homecoming, which is the major university-sponsored event involving alumni, parents and students.

The possession and consumption of alcoholic beverages is prohibited in academic buildings, out-of-doors on any part of the campus and at any intercollegiate or intramural athletic activity unless the event is registered and approved by the dean of student affairs.

State law prohibits the unlicensed sale of alcoholic beverages on the campus. Therefore, no financial arrangements between the sponsor of an event and guests are permitted whenever alcohol is to be served (i.e., no admission fees can be charged, donations accepted or tickets sold.)

Food and non-alcoholic beverages must be available at all times during an approved special event involving the consumption of alcoholic beverages.

Any person or organization violating state law or these regulations will be subject to disciplinary action by the university and/or referral to the appropriate civil authorities.

The University Police Department has the discretion of issuing infractions for the illegal possession of alcohol and for providing alcohol to individuals under the age of 21.

Drugs

The possession, distribution and consumption of illicit drugs and the abuse of prescription and over-the-counter drugs and anabolic steroids are prohibited.

The university recognizes that drug problems are complex, and it will make every effort to assist students who have a problem. However, students must understand that, apart from the professional resources of the university, drug problems revealed or uncovered in the normal course of administrative operations will be treated as disciplinary matters in accordance with the Student Code of Conduct.

Students found guilty of violations of this policy shall be subject to university disciplinary action that may include suspension or expulsion. In addition to the penalties that may be imposed by campus authorities, criminal prosecution may also be initiated.

Policy on Firearms/Fireworks

The university prohibits employees and students or their guests from possessing or storing firearms on campus. For purposes of this policy, definitions contained in the Connecticut General Statutes pertaining to firearms will apply. Firearms, explosives, fireworks, flammable substances and other weapons of any kind are not allowed on university property. This includes, but is not limited to rifles, shotguns, pistols, BB guns, pellet guns, paint ball guns, bows and arrows, stun guns, knives and martial arts weapons. Possession of any firearm or other weapon on university property, including in an employee's automobile, is cause for corrective action up to and including termination. University police are the only persons who are authorized to carry firearms on campus.

Employees or others who have a concern about personal safety are encouraged to contact the SCSU Police Department at (203) 392-5375 or the Human Resources Office at (203) 392-8810.

FIRE SAFETY REPORT

Southern Connecticut State University Public Safety Higher Education Opportunity Act 2009–2010 Campus Fire Safety Annual Compliance Report

Overview: In August 2008, the Higher Education Opportunity Act (Public Law 110-315) became law. This act requires all U.S. academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire related on-campus statistics pertaining to on-campus residential buildings. Pursuant to this act, the following document is a report detailing the fire safety practices standards and statistics applicable to SCSU.

The Department of Facilities Management, Office of Environmental Health and Safety (OEHS), manages the university's fire safety programs, working in collaboration with the Office of the State Fire Marshal, SCSU police and the New Haven and Hamden Fire departments. Compliance with local, state and federal codes are monitored and enhanced through frequent building inspections, drills and training.

To contact the Office of Environmental Health and Safety during normal business hours, call (203) 392-7073. In an emergency, contact the University Police Department at (203) 392-5375 or dial 911 from any telephone, or use a blue emergency phone, which are located throughout the campus.

Definitions:

Cause of fire: The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure or act of nature.

Fire: Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire drill: A supervised practice of a mandatory evacuation of a building for a fire.

Fire-related injury: Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause, while involved in fire control, attempting rescue or escaping from the dangers of the fire. The term "person" may include students, employees, visitors, firefighters or any other individuals.

Fire-related death: Any instance in which a person — (1) is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue or escaping from the dangers of a fire; or (2) dies within one year of injuries sustained as a result of the fire.

Fire safety system: Any mechanism or system related to the detection of a fire, the warning resulting from a fire or the control of a fire. This may include sprinkler systems or other fire extinguishing systems, fire detection devices, stand-alone smoke alarms, devices that alert one to the presence of a fire, such as horns, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

Value of property damage: The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quantity. This estimate should include contents damaged by fire, and related damages caused by smoke, water and overhaul; however, it does not include indirect loss, such as business interruption.

Fire Statistics

The University Police Department & Office of Environmental Health and Safety maintain a fire log that records the nature, date, time, general location, injuries or deaths, and property damage values of a fire event.

2009 Fire Log

University Housing

All residence halls and apartments have smoke and/or heat detectors located in living spaces and mechanical rooms, as well as fire sprinkler systems and automatic fire alarm systems that operate in conjunction with the building's fire alarm panel and transmit their alarms to the University Police Department dispatch center.

Fire Drills

Residence halls are scheduled to have two fire drills per semester during the academic school year. Academic

buildings receive fire drills periodically, based on hazard assessments and state and local fire marshal recommendations.

Fire Safety in University Housing

Failure to comply with these regulations may result in disciplinary actions, fines, penalties, liabilities and/or eviction. If you have questions or wish for further information on fire prevention or fire survival, please call the OEHS at (203) 392-7073.

List of room regulations every resident must follow.

- Smoking is prohibited in all buildings on the campus.

Fire Safety Systems

At SCSU, all residence halls and apartments are covered by an integrated automatic sprinkler and fire alarm system, which is monitored 24 hours a day, seven days a week. The buildings are also equipped with emergency generator power that is designed to activate when there is a power loss. This generator power will operate life safety equipment, such as the fire alarm panel, emergency lighting and exit signs.

IN CASE OF FIRE...

USE CARE

- **CONTAIN** the fire by closing all doors as you leave.
- **ACTIVATE** the nearest fire alarm pull station. Pull stations are located near all exits out of the building.
- **REPORT** the fire by dialing 911.
- **EVACUATE** or extinguish. **Our policy is to evacuate.** In most cases, it is best to leave the building using the nearest fire exit. **Persons not trained in the use of a fire extinguisher must not attempt to use one.**

Training and Drills

Basic fire safety instruction is provided to all students living in residence halls who attend the orientation program at the beginning of each academic year, as well as to all new employees during the New Employee Orientation program. All existing employees are provided periodic training, coordinated by the Office of Environmental Health and Safety and by request from individual departments and groups of employees.

Residence hall staff receive additional fire safety training at the beginning of each semester. In addition, a program that covers emergency and evacuation procedures is reviewed regularly with the occupants and staff of each respective residence hall. Each resident is given a copy of the Orientation Handbook, which includes information on fire safety and what actions to take during a fire alarm or other emergency.

Each student room has an emergency evacuation map installed on the inside of the front door to direct occupants to primary and secondary exits. Fire exit drills are conducted at least once a semester. Occasionally, fire drills are done in coordination with the local fire department.

Student Housing Reporting and Evacuation Procedures

If a fire is detected or the fire alarm sounds, residents are required by law and university policy to evacuate immediately. Evacuation procedures are as follows:

- 1) Feel your room door with the back of your hand. If it is hot, stay in your room and call 911 or signal for help from your window. Put a wet towel on the bottom edge of the door. If your door is not hot, leave the room. Isolate the fire by closing doors as you leave. **LEAVE IN AN ORDERLY FASHION.** Do not use elevators. Use the stairs. If safe, and if time permits, take your room or apartment key.
- 2) Do not attempt to extinguish fires unless you have been trained on the proper use of portable fire extinguishers.
- 3) On your way out of the building, activate the nearest fire alarm if it has not already been activated. Be prepared to identify what is burning, and be sure to report the building, floor, and your name.
- 4) Once outside the building, stay out and move away from the building to clear access for the fire department and other emergency responders. **Alert a police officer or firefighter of any occupants that you know are still in the building who may not be able to exit without assistance.** Move a minimum of 300 feet from the building. Police will direct you to a safe area.
- 5) Do not re-enter the building until advised that it is safe to do so by a firefighter or university police officer.

Any fires that were quickly extinguished or any evidence of recent fires must be reported immediately to a residence hall director or university police at (203) 392-5375. The incident will be documented as required. The Office of Environmental Health and Safety will coordinate with the University Police Department and the Office of the State Fire Marshal in the investigation of each fire incident.

Know Your Evacuation Route!

Accessible Means of Egress

According to the March/April 2005 National Fire Protection Association Journal, about 20% of the U.S. population is disabled. This would include those who have mobility impairments, the hearing impaired, the blind or partially sighted, the elderly, those who have cognitive or emotional impairments and others. As a result, SCSU has taken measures to ensure their safety in the event of an emergency. This includes providing adequate refuge space and means of communication, where required, alternative means and routes of evacuation other than elevators and clearly illustrating available accessible evacuation routes on emergency evacuation plans.

Emergency Exits

- Do not prop open, hold open or obstruct designated fire doors.
- Do not lock or otherwise close a fire door or exit door to prevent or impede exit.
- Remove all obstruction from emergency exits and corridors.
- Report blocked or locked fire exits to the hall director, who will then inform the OEHS.
- Do not obstruct fire alarm boxes, fire standpipes, fire extinguishers, fire sprinkler heads, smoke or heat detectors or any other fire protection equipment.

NOTE: Each sprinkler head must have a minimum of 18 inches of clearance.

Corridors and Exits

- It is essential for corridor separations and stairwell doors to be closed at all times, unless the door is equipped with an approved electromagnetic door closer. Fire doors retard the travel of smoke, heat, toxic gases and fire.
- All stairwell doors must be closed at all times.
- Do not place any combustible material on these doors. Nothing can be installed in exit corridors or stairwells.
- Building fire equipment such as sprinkler heads, smoke detectors, heat detectors, fire hoses, extinguishers, standpipes and alarm boxes must remain in good working condition and must not be obstructed. Unauthorized use or tampering with this equipment is illegal and will result in disciplinary and/or legal action.

Flammable Materials and Chemicals

- Use or storage of flammable fluids, flammable chemicals and/or potentially dangerous chemicals is prohibited in all residence halls.

Smoking

- No smoking is permitted in any state buildings, including residence halls and apartments, by state law.

Fire Inspections

- SCSU buildings are inspected at least once per year by the Office of the State Fire Marshal.

Be Prepared For a Fire

- Learn and participate in your building's evacuation plan.
- If you hear an alarm, leave immediately. Close doors behind you as you go. If possible, take your room keys; if you can't escape you may have to return to your room.
- If you have a disability, make sure you are included in the escape planning for your classroom area and housing.
- Learn the location of all building exits. You may have to find your way out in the dark.
- Do not tamper with fire protection equipment.

Escape Tips

- If you have to escape through smoke, get low and crawl beneath the smoke to your exit.
- Before opening a door, feel the door with the back of your hand. If it's hot, stay in place and call for help. Seal door with towels and signal for help from your window.
- Use the stairs; never use an elevator during a fire.
- If you have a disability, alert others of the type of assistance you need to leave the building.

Smoking

- Smoke only outside of the building and only where it's permitted.
- It is risky to smoke when you've been drinking or when you're drowsy.
- Do not smoke in bed.
- Soak cigarettes before you empty ashtrays.
- After a party, check furniture and cushions for smoldering cigarettes.

Cooking

- Cook only where it's permitted.
- Keep cooking areas clean and uncluttered.
- Never leave cooking unattended.
- If a fire starts in a microwave oven, keep the door closed and unplug the unit.
- Gas and charcoal BBQ grills must only be used outdoors.
- Wear short or tight fitting sleeves. (Long loose sleeves are more likely to catch on fire or get caught on pot handles)

Electrical

- Check your school's rules before using electrical appliances in your room.
- Follow the manufacturer's instructions for plugging an appliance into a receptacle outlet.
- Do not overload circuits.
- Do not pinch cords against walls or furniture or run them under carpets. Never tack or nail cords.
