SABBATICAL LEAVE PROCEDURES FOR FACULTY¹

Sabbatical Leave encourages the professional growth of the faculty of Southern Connecticut State University by providing an opportunity for individual pursuit of a scholarly and creative experience. Sabbatical Leave is established in accordance with the Collective Bargaining Agreement.²

I. Standards for Sabbatical Leave (from the CSU-AAUP CBA section 13.7)

The CSU-AAUP Collective Bargaining Agreement, section 13.7, states that “Sabbatic leave is educational leave. Sabbatic leaves are granted for the benefit of Connecticut State University. Sabbatic Leave is granted for purposes of scholarly and creative endeavors that strengthen the professional competence or enrich the teaching or equivalent professional responsibilities of members. All proposals for such leave must merit approval on the basis of these standards.”

II. Eligibility

Upon completion of six years of full-time service³, a tenured faculty member is eligible to take Sabbatical Leave. Untenured members may apply for Sabbatical Leave in their sixth year of full-time service. If the leave is granted and the Candidate is not awarded tenure, the leave cannot be accepted. After a Sabbatical Leave, a person cannot take another Sabbatical Leave until the completion of an additional six years of full-time service. All proposals that meet the standards specified in paragraph I above shall be judged on the basis of their competitive merit. Among those proposals deemed equal in merit by the Sabbatical Leave committee, preference shall be given to members with the longest service since their last Sabbatical Leave.

III. Schedule of Sabbaticals

A. Length of Sabbaticals

---

¹ The Faculty Senate in agreement with the President of the University establishes these procedures, which are intended to be consistent with the Collective Bargaining Agreement, to govern the Sabbatical Leave process at Southern Connecticut State University.

² "Collective Bargaining Agreement" when used in this document, refers to Collective Bargaining Agreement between the Connecticut State University American Association of University Professors and the Board of Regents for the Connecticut State University, for 2016-2021.

³ Interpretation: (1) The six years of full-time service must be at SCSU or within the CSU system; (2) The six years of full-time service must be as a member of the instructional faculty, as a counselor, as a member of the library faculty, or as any combination of the three.
Sabbatical Leave may be taken for one or two semesters, beginning in the Fall or Spring semesters. Sabbatical Leave outside the normal academic semester shall also be permissible. Library faculty may begin their Sabbatical Leave in the Fall, Spring, or Summer.

B. Rotation of Sabbaticals

Departments of ten or fewer members shall send no more than one member on sabbatical at one time. A Department with 11-20 members shall send no more than two members on sabbatical at one time. A Department with 21-30 members shall send no more than three members on sabbatical at one time.

C. Deferral of Sabbaticals

Once granted, Sabbatical Leave can only be deferred one time, under special circumstances, for not more than one year. A Candidate’s request for deferral must be made in writing to the Chairperson of the Department Sabbatical Committee. It must specify the circumstances that gave rise to the request as well as propose a new time frame for the Sabbatical Leave. Prior to approving the deferral, the Chairperson of the Department Sabbatical Committee and the Department Chairperson shall consult with the administration. Once a deferral is approved, the University Sabbatical Committee must be notified in writing by the faculty member.

IV. Applying for Sabbatical Leave

A. Application Format

To be considered, a Candidate’s Sabbatical Leave application must include the following materials, to be submitted in one PDF document:

1. The completed application form, which must be digitally signed by the Candidate, the Department Sabbatical Committee Chairperson, the Department Chairperson, and the Dean of the Candidate’s college/school.

2. Evaluative statements concerning the Candidate’s plan from the Department Sabbatical Committee and from the Department Chairperson.

3. A description of the sabbatical plan that indicates the expected contribution to the Candidate’s professional growth as specified in paragraph I above.

4. A two-page curriculum vitae outlining the following attributes of the Candidate: (1) scholarly competence and recognition, (2) teaching competence, and (3) participation in academic and professional activities of the university and community.
5. A copy of the Sabbatical Leave Follow-up Report(s) for any previous award(s) of Sabbatical Leave.

B. Application Procedures:

1. Candidate's Role in the Sabbatical Leave Process
   a. The Candidate is responsible for notifying, in writing, the Department Chairperson, Department Sabbatical Committee Chairperson, and the Office of Human Resources (humanresources@southernct.edu) of the intent to apply for Sabbatical Leave.
   b. The Candidate is responsible for initiating the sabbatical application. The Candidate shall make the Sabbatical Leave file (as a single PDF document) available to the Department Sabbatical Committee, the Department Chairperson, the University Sabbatical Committee, and Human Resources as specified in the calendar (Appendix A).
   c. The Candidate is responsible for scheduling an interview with the University Sabbatical Committee through the Office of Human Resources. (This interview is optional, but highly recommended.)

2. Department Role in the Sabbatical Leave Process
   a. The Department Sabbatical Committee’s evaluation shall be independent of any other evaluation (e.g., independent of the Department Chairperson's evaluation).
   b. Each Department must establish either an elected committee or a committee of the whole to evaluate a Candidate's sabbatical plan for Sabbatical Leave. The Department may choose to have another Department committee act as its Sabbatical Leave Committee. Hereafter, this Committee shall be referred to as the Department Sabbatical Committee, in this document.
   c. No person shall serve as a member of a Department Sabbatical Committee in any deliberations in a year in which that person is applying for Sabbatical Leave. The Department Chairperson shall not serve as a member of a Department Sabbatical Committee.
   d. Each Department shall develop its own procedures regarding additional conditions of eligibility, elections, recall of Department Sabbatical Committee members, and conduct of its business. These procedures shall be recorded, and readily available to the faculty, and a copy shall be placed on file with the Faculty Senate.
f. The Department Sabbatical Committee’s evaluation shall be based on the merits of the Candidate’s sabbatical plan. Prior to completing the evaluation, the Department Sabbatical Committee and the Department Chairperson shall conduct negotiations with the Administration to ensure that no Sabbatical Leave will have a detrimental impact on the Department⁴. If the negotiations fail, the Department Sabbatical Committee will include, in each evaluation, a statement of any adverse impact the Sabbatical Leave will have on the Department.

g. In accordance with the procedure and calendar (Appendix A), the Department Sabbatical Committee is responsible for providing the Candidate with an evaluation of the Candidate’s sabbatical plan for the Candidate to include in the sabbatical file and for signing the Candidate’s sabbatical application form (Appendix B).

3. Department Chairperson’s Role in the Sabbatical Leave Process⁵

a. The Chairperson shall present information in the evaluation which takes into consideration the eligibility requirements established by this document for Sabbatical Leave. The nature of this information should reflect the Chairperson’s professional judgments and opinions as well as factual information. The Chairperson’s evaluation shall be based on the merits of the Candidate’s sabbatical plan. The Chairperson’s evaluation shall be independent of the Department Sabbatical Committee’s evaluation.

b. The Chairperson shall include in the evaluation a detailed statement that indicates the extent to which the Candidate’s sabbatical will affect the operation of the Department. Prior to completing the evaluation, the Chairperson and the Department Sabbatical Committee shall conduct negotiations with the Administration to ensure that no Sabbatical Leave will have a detrimental impact on the Department. Upon obtaining a statement from the Administration, this information shall be included in the Chairperson’s evaluation.

c. In accordance with the procedure and calendar (Appendix A), the Department Chairperson is responsible for providing the Candidate with an evaluation of the Candidate’s sabbatical plan for the Candidate to include in the sabbatical file and for signing the Candidate’s sabbatical application form (Appendix B).

In no case, however, shall a Department Chairperson being considered for Sabbatical Leave participate in the sabbatical evaluation process.

⁴ In the event that the Department Chairperson is applying for Sabbatical Leave, the Department Sabbatical Committee shall conduct these negotiations with the Administration.

⁵ In the case of the Library, the spokesperson shall fulfill the role of the Department Chairperson.
V. Transmission to the University President

After the University Sabbatical Committee has completed its review, the files and recommendations shall be forwarded via email to the President of the University.

VI. Benefits and Responsibilities

A. Remuneration

Remuneration shall consist of full pay for one semester or half-pay for one year based upon preference of the faculty member with the approval of the President. The Administration will conduct negotiations with the Department Chairperson and the Department Sabbatical Committee to ensure that no Sabbatical Leave will have a detrimental impact on the Department.

B. Activity Engaged in While on Sabbatical

1. A grant may be accepted during the period of the sabbatical.

2. An individual may render a service, such as a limited number of lectures or involvement in seminars at another institution, as a part of a grant.

3. An individual may not accept a teaching position or any other remunerative position that would detract from the sabbatical plan during the sabbatical period.

C. Protection of Faculty Member’s Jobs and Benefits

All rights, benefits and positions guaranteed by the Collective Bargaining Agreement and University by-laws shall be maintained by the faculty member during the Sabbatical Leave. A faculty member on Sabbatical Leave shall continue to accrue sick leave, longevity credit, and retirement credit at the full-time rate. In order to be eligible for longevity payments during the sabbatical year, a faculty member must be on the payroll on either April 1st or October 1st of the year in question.

D. Return

1. It is expected that recipients of Sabbatical Leave will return to work at Southern Connecticut State University for at least one year after the leave is completed. The President of the University may release a person from this agreement for appropriate reasons.

2. Within one semester of returning from a Sabbatical Leave, a faculty member shall submit a written statement setting forth the experiences and accomplishments attained in pursuit of the objectives set forth in the proposal to the President, University Sabbatical Leave Committee, Department Sabbatical Committee, and Director of Library Services. Such statements shall be retained by the Sabbatical
Leave Committee and a copy shall be placed in the University documents file in Buley Library attached to the copy of the application where it shall be available to the University community.

VII. University Sabbatical Committee

A. Purpose of the Committee

The purpose of the University Sabbatical Committee is to evaluate Candidates for sabbaticals, and to make recommendations to the President of the University regarding the granting of sabbaticals in accordance with this Document.

B. Structure of the Committee

1. There shall be a single University Sabbatical Committee for teaching faculty (including supervisors of student teaching), library faculty, and counselors, hereafter referred to collectively as “faculty.” Administrators are not eligible.

2. The Committee shall consist of seven members elected by the faculty.

3. Alternates
   a. There shall be two alternate members elected by the faculty.
   b. Alternates shall take the place of voting members
      - when a voting member is applying for a sabbatical that year.
      - when a voting member resigns.
      - under other circumstances, such as prolonged illness, as evaluated by the Committee.
   c. At no time shall the number of voting members (including alternates serving as members) exceed seven.

C. Eligibility for Membership on the Committee

1. Faculty members who are tenured, have achieved the rank of Assistant Professor or above (or the equivalent for library faculty and counselors), and have completed a minimum of six years of full-time service on the faculty or professional staff of a college or university, at least three of which must be at Southern Connecticut State University, are eligible to serve on this Committee.

2. At no time shall there be more than two members from any one Department elected as regular or alternate members of the Committee.

3. No person who provides evaluative materials at any level of the sabbatical process may serve as a member or alternate on the Committee (e.g., Department
Chairpersons, Division Directors, and Department Sabbatical Committee members).

4. Faculty members may not serve as members of this Committee in any academic year in which they apply for a sabbatical.

5. Paragraph 3 above shall not be construed as disqualifying any person who is a Department Chairperson, Division Director, Department Sabbatical Committee member or equivalent, (e.g. DEC) from standing for election to this Committee, or vice versa. But, faculty members elected to the University Sabbatical Committee, must vacate, by resignation or expiration of position, either their position on the University Sabbatical Committee or their position as Department Chairperson, Division Director, or Department Sabbatical Committee member before the beginning date of University Sabbatical Committee service. A person who serves on a DEC whose duties include evaluation of sabbatical proposals may serve on both the DEC and the University Sabbatical Committee provided the individual recuse from all sabbatical-related deliberations of the DEC.

D. Election of Members of the Committee

1. The Election Committee of the Faculty Senate has the responsibility for conducting the faculty elections for this Committee.

2. For each three year cycle, three regular members and one alternate will be elected for three-year terms, two regular members and one alternate will be elected for two-year terms, and two regular members will be elected for a one-year term.

3. Each spring, elections shall be held for the members whose terms have expired and to fill any existing vacancies in unexpired terms.

4. All terms shall begin September 1st and expire August 31st.

E. Recall of Committee Members and Alternates

1. Any member or alternate of this Committee may be recalled by a majority vote of the faculty on a referendum.

2. Such a referendum shall be conducted by the Election Committee of the Faculty Senate upon receipt of a petition to the effect bearing the signatures of at least 10% of the faculty.

F. Procedures of the Committee

1. The Candidate may submit any new supporting documentation to the Committee in accordance with the calendar (Appendix A).
2. The Candidate shall be given the opportunity to appear before the University Sabbatical Leave Committee or a sub-committee of the Committee prior to making its decision.

3. The Committee shall examine and discuss each Candidate's sabbatical file. It may decide to solicit additional written information from any source. Candidates will automatically receive a copy of the additional material. Any such material introduced at this time must be countersigned by the Candidate, and the Candidate must have the opportunity of adding a written rebuttal. The Committee shall not accept written information other than that in the file or submitted pursuant to VII.F.1, F.2 or that which the Committee solicits as described above.

4. A Sabbatical Leave may be granted for either a full-year at half pay or a half-year at full pay without prejudice.

5. In evaluating Candidates' applications for sabbatical, the Committee as a whole will discuss criteria. Ultimately each Committee member will use their own judgment in voting to recommend or not to recommend.

6. After all information has been received, and after full discussion and deliberation, each Committee member shall cast a ballot. A secret ballot shall be used for any major decision.

7. Each Committee member shall be afforded a reasonable opportunity (as determined by the Committee) to cast a ballot.

8. At any stage, the Committee may reconsider and/or revote on an individual Candidate.

9. The final listing of Candidates recommended shall be presented by the Committee Chairperson to the Department of Human Resources in priority order as determined by the Committee in the form of a letter to be signed by all Committee members. Human Resources shall forward the Committee’s recommendations to the Office of the University President. A copy of the Sabbatical Leave Committee Recommendation, including the Candidate's relative numerical position on the sabbatical list, shall be sent to the Candidate at the time of issuance.

10. Committee members, when not meeting as a Committee, shall treat as confidential the information in any Candidate's file, as well as the Committee's deliberations and votes. Such confidentiality does not apply to disclosure concerning procedures in a formal hearing by a Grievance Committee.

11. The Committee may establish and follow any additional procedures it deems reasonable, provided such procedures do not contravene procedures specified in this Document or contravene the spirit of this Document. A written record of all
procedures shall be sent annually (in the Spring of the year) to the Faculty Senate and to the President of the University.

VIII. **Grievance Procedure**

Any faculty member who feels that the prescribed procedures and criteria rules have in any way been violated with respect to this document may initiate grievance procedures as specified in the Collective Bargaining Agreement.

IX. **Amendment Procedure**

This Document may be amended by a two-thirds vote of the Faculty Senate with the concurrence of the President of the University.

X. **Interpretation, Implementation, and Review**

This section may not be invoked with respect to the interpretation and/or implementation of any item of the Collective Bargaining Agreement. If an issue develops concerning interpretation and/or implementation of this Document whether initiated by the Senate, a faculty member, or any member of the administration, a binding decision on such an issue shall be made:

1. by agreement between the President of the University and a majority of the Executive Committee of the Faculty Senate or, failing to obtain agreement on an issue by this method,

2. by a committee consisting of one member selected by the Senate Executive Committee, one selected by the President of the University, and one selected by the first two committee members, who, by a two-thirds vote shall decide on the issue.

SOUTHERN CONNECTICUT STATE UNIVERSITY
Faculty Senate
SABBATICAL LEAVE PROCEDURES FOR FACULTY

Sabbatical Leave encourages the professional growth of the faculty of Southern Connecticut State University by providing an opportunity for individual pursuit of a scholarly and creative experience. Sabbatical Leave is established in accordance with the Collective Bargaining Agreement.

I. Standards for Sabbatical Leave (from the CSU-AAUP CBA section 13.7)

The CSU-AAUP Collective Bargaining Agreement, section 13.7, states that "Sabbaticals are granted for educational purposes for the benefit of Connecticut State University. Sabbaticals are granted for the purpose of scholarly and creative endeavors that strengthen the professional competence or enrich the teaching or equivalent professional responsibilities of members. All proposals for such leave must merit approval on the basis of these standards."

II. Eligibility

Upon completion of six years of full-time service, a tenured faculty member is eligible to take Sabbatical Leave. Tenured members may apply for Sabbatical Leave in their sixth year of full-time service. If the leave is granted and the Candidate is not awarded tenure, the leave cannot be accepted. After a Sabbatical Leave, a person cannot take another Sabbatical Leave until the completion of an additional six years of full-time service. All proposals that meet the standards specified in paragraph I above shall be judged on the basis of their competitive merit. Among those proposals deemed equal in merit by the Sabbatical Leave committee, preference shall be given to members with the longest service since their last Sabbatical Leave.

III. Schedule of Sabbaticals

A. Length of Sabbaticals

1 The Faculty Senate in agreement with the President of the University establishes these procedures, which are intended to be consistent with the Collective Bargaining Agreement, to govern the Sabbatical Leave process at Southern Connecticut State University.

2 "Collective Bargaining Agreement" here used in this document, refers to Collective Bargaining Agreement between the Connecticut State University American Association of University Professors and the Board of Regents for the Connecticut State University, for 2016-2021.

3 Interpretation: (1) The six years of full-time service must be at SCSU or within the CSU system. (2) The six years of full-time service must be as a member of the instructional faculty, as a counselor, as a member of the library faculty, or as any combination of the three.
Sabbatical Leave may be taken for one or two semesters, beginning in the Fall or Spring semesters. Sabbatical Leave outside the normal academic semester shall also be permissible. Library faculty may begin their Sabbatical Leave in the Fall, Spring, or Summer.

B. Rotation of Sabbaticals

Departments of ten or fewer members shall send no more than one member on sabbatical at one time. A Department with 11-20 members shall send no more than two members on sabbatical at one time. A Department with 21-30 members shall send no more than three members on sabbatical at one time.

C. Deferral of Sabbaticals

Once granted, Sabbatical Leave can only be deferred one time, under special circumstances, for not more than one year. A Candidate’s request for deferral must be made in writing to the Chairperson of the Department Sabbatical Committee. It must specify the circumstances that gave rise to the request as well as propose a new time frame for the Sabbatical Leave. Prior to approving the deferral, the Chairperson of the Department Sabbatical Committee and the Department Chairperson shall consult with the administration. Once a deferral is approved, the University Sabbatical Committee must be notified in writing by the faculty member.

IV. Applying for Sabbatical Leave

A. Application Format

To be considered, a Candidate’s Sabbatical Leave file must include the following materials, to be submitted in one PDF document:

1. The completed application form, which must be digitally signed by the Candidate, the Department Sabbatical Committee Chairperson, the Department Chairperson, and the Dean of the Candidate’s college school.

2. Evaluative statements concerning the Candidate’s plan from the Department Sabbatical Committee and from the Department Chairperson.

3. A description of the sabbatical plan that indicates the expected contribution to the Candidate’s professional growth as specified in paragraph 1 above.

4. A two-page curriculum vitae outlining the following attributes of the Candidate: (1) scholarly competence and recognition, (2) teaching competence, and (3) participation in academic and professional activities of the university and community.

B. Application Procedures:

1. Candidate's Role in the Sabbatical Leave Process
   a. The Candidate is responsible for notifying, in writing, the Department Chairperson, Department Sabbatical Committee Chairperson, and the Office of Human Resources (humanresources@southernct.edu) of the intent to apply for Sabbatical Leave.
   b. The Candidate is responsible for initiating the sabbatical application. The Candidate shall make the Sabbatical Leave file (as a single PDF document) available to the Department Sabbatical Committee, the Department Chairperson, the University Sabbatical Committee, and Human Resources as specified in the calendar (Appendix A).

   b. Each Department must establish either an elected committee or a committee of the whole to evaluate a Candidate's sabbatical plan for Sabbatical Leave. The Department may choose to have another Department committee act as its Sabbatical Leave Committee. Hereafter, this Committee shall be referred to as the Department Sabbatical Committee, in this document.
   c. No person shall serve as a member of a Department Sabbatical Committee in any deliberations in a year in which that person is applying for Sabbatical Leave. The Department Chairperson shall not serve as a member of a Department Sabbatical Committee.
   d. Each Department shall develop its own procedures regarding additional conditions of eligibility, elections, recall of Department Sabbatical Committee members, and conduct of its business. These procedures shall be recorded, and readily available to the faculty, and a copy shall be placed on file with the Faculty Senate.
f. The Department Sabbatical Committee's evaluation shall be based on the merits of the Candidate's Sabbatical plan. Prior to completing the evaluation, the Department Sabbatical Committee and the Department Chairperson shall conduct negotiations with the Administration to ensure that no Sabbatical Leave will have a detrimental impact on the Department. If the negotiations fail, the Department Sabbatical Committee will include, in each evaluation, a statement of any adverse impact the Sabbatical Leave will have on the Department.

g. In accordance with the procedure and calendar (Appendix A), the Department Sabbatical Committee is responsible for providing the Candidate with an evaluation of the Candidate's Sabbatical application form (Appendix B), and for signing the Candidate's Sabbatical application form (Appendix B).

3. Department Chairperson's Role in the Sabbatical Leave Process

a. The Chairperson shall present information to the evaluation which takes into consideration the eligibility requirements established by this document for Sabbatical Leave. The nature of this information should reflect the Chairperson's professional judgments and opinions as well as factual information. The Chairperson's evaluation shall be based on the merit of the Candidate's Sabbatical plan. The Chairperson's evaluation shall be independent of the Department Sabbatical Committee's evaluation.

b. The Chairperson shall include in the evaluation a detailed statement that indicates the extent to which the Candidate's Sabbatical will affect the operation of the Department. Prior to completing the evaluation, the Chairperson and the Department Sabbatical Committee shall conduct negotiations with the Administration to ensure that no Sabbatical Leave will have a detrimental impact on the Department. Upon obtaining a statement from the Administration, this information shall be included in the Chairperson's evaluation.

c. In accordance with the procedure and calendar (Appendix A), the Department Chairperson is responsible for providing the Candidate with an evaluation of the Candidate's Sabbatical plan for the Candidate to include in the Sabbatical file and for signing the Candidate's Sabbatical application form (Appendix B).

   In no case, however, shall a Department Chairperson be considered for Sabbatical Leave participate in the Sabbatical evaluation process.

Rules Committee Meeting Minutes

Date: Friday, September 11, 2020 (rescheduled from Wednesday, September 9, 2020)

Time: 1:30 PM

Attendees: Barb Cook, Robert Gregory (chair), Matt Miller, Troy Paddock (Maria Diamantis and Jeff Webb were unable to attend the rescheduled meeting)

Topic/Charge for the Meeting: Reexamine various promotion and tenure items submitted to the Faculty Senate for consideration during the Fall 2019 and Spring 2020 semesters. While the Rules Committee performed this task last spring, the chair wanted to reexamine these issues for the benefit of the new members of the Rules Committee.

Agenda items:
1. Promotion & Tenure issue #1: Adding materials and information to the file as it moves through the different levels of evaluation
   - The Rules Committee members were unanimous in recommending that the current process of sealing the file should be maintained and enforced; candidates who add information to their files after the initial submission simply disadvantage themselves by doing so. Candidates should not be allowed to add material to their files after sealing; additional information can be presented to the Promotion & Tenure Committee during the candidate interviews.

2. Promotion & Tenure issue #2: Candidate withdrawal of a tenure file
   - At the time this issue was presented to the Faculty Senate, the Tenure and Promotion Procedures for Faculty document only included a provision for withdrawing a promotion file and not a tenure file. This is no longer as issue since III.A.8 of this document states: “A candidate who withdraws his/her application after the commencement of the promotion or tenure process shall be deemed to have waived all claims for that year.”
   - It should be confirmed with SCSU AAUP if a mandatory tenure application can also be withdrawn.

3. Promotion & Tenure issue #3: A professor of one rank being considered for promotion is not allowed to write a letter of support for another professor of a different rank also being considered for promotion
   - The Rules Committee members were unanimous in recommending that a professor of one rank being considered for promotion should be allowed to write a letter of support for
another professor of a different rank also being considered for promotion since candidates for promotion are grouped and evaluated by rank. This change would require new language in the Promotion & Tenure document.

- In addition, we recommend that a Chairperson of one rank being considered for promotion be allowed to write a letter of evaluation for another professor of a different rank being considered for promotion and tenure since the candidates for promotion and/or tenure are grouped and evaluated by rank. This change would require new language in the Promotion & Tenure document.

4. Promotion & Tenure issue #4: Inclusion of letters of support from colleagues outside of a candidate’s promotion and tenure evaluation process
   - Currently, III.B.4 states: “Each candidate may also include supporting letters from colleagues inside or outside of his/her department. The candidate shall not include any letters of recommendation specifically addressing the promotion or tenure process, other than the official letters mandated by promotion and tenure procedures, from any person who has a formal role in the process, i.e. Chair, Dean of the member’s school, Provost, President, members of the Department Evaluation Committee, and members of the University Promotion and Tenure Committee.” This language prohibits any individual who has a role in the University’s Promotion & Tenure process from writing a letter of support from any colleague.
   - We recommend changing the language to “. . . , from any person who has a formal role in the candidate’s process, . . .”.

5. Promotion & Tenure issue #5: Promotion & Tenure candidate interviews
   - While the members of the Rules Committee are unaware of specific inconsistencies in the interview process, we recommend that the Promotion & Tenure Committee examine how to ensure consistency during the candidate interviews including, but not limited to, developing standardized questions for candidates.

Undergraduate Curriculum Forum
Thursday, Sept. 10, 2020

The following are important updates or actions from UCF meeting:

1. Updates to Proposal Deadlines: The Forms & Directions page of the UCF Confluence site has been updated to reflect current deadlines for course and program proposals. These dates account for deadlines set by the provost’s office for final approvals as well as BOR deadlines where applicable. https://km.southernct.edu/display/UCF/Forms+and+Directions

2. Motion from UWIC: To eliminate the New Post-Baccalaureate Certification Program signature form as a separate document. The UCF New Program Proposal signature sheet will be examined to ensure it includes information for the proposal of new PostBaccalaureate Certification Programs and future Certificate Programs. Approved

3. Motion from Steering Committee: Endorse the proposed Steering Committee statement to the university Provost, university President, deans, and department chairs to maintain all approved course caps including a cap of 25 students for all online courses (synchronous and asynchronous). Approved/ Statement sent to above (See attached)

Statement from Steering Committee:

The Undergraduate Curriculum Forum continues to be concerned about preserving maximum course caps of 25 for both asynchronous and synchronous online courses.

In March 2020, due to the COVID-19 pandemic, the university needed to suddenly close and pivot to all-online, emergency course offerings. Under those circumstances, exceeding the maximum course caps was unavoidable.

We applaud the amazing job undertaken by all faculty, and their students, to adapt to that exclusively online platform.

On the fall course roster, some 260 online course sections list course caps that exceed 25. There are varying reasons that 30 departments and programs opted to run sections with more than 25 students. But, the underlying reason was the desire by faculty to teach in an online modality due to COVID-19 concerns, and the lack of immediate funds to hire more faculty in time to teach the needed smaller sections to meet the cap.

The university is about to enter its third semester under difficult circumstances. In this “new normal,” it is imperative that the university make smaller class size, and its pedagogical benefits to students, a renewed priority.

The UCF is calling on faculty, chairs, deans, and administration to collaborate to plan a semester that makes possible a 25-student course cap for any online course. We must remain cognizant of the current course enrollment caps for all modalities and their vital role in ensuring quality education.

In the midst of this global crisis, we must maintain our academic standards to ensure a robust and enriching experience to which our students will want to return.

Course enrollment caps were implemented based on sound pedagogical rationale and should be maintained. Currently, in addition to the online courses cap of 25, writing courses are capped at 22.

Smaller class size is particularly beneficial for students taking 100-200 level, FYE and LEP courses. Students in these courses often have underdeveloped skillsets in time management and writing.

Thus, course caps ensure students enrolled in these classes receive the additional attention and guidance they require. A positive experience in these formative classes leads to student success and will bolster student retention.

As we plan for spring 2021, we reassert our commitment to a strong curriculum centered on student success by honoring course all enrollment caps.

Resolution Regarding Indigenous Peoples’ Day

SOUTHERN CONNECTICUT STATE UNIVERSITY
FACULTY SENATE

Whereas, Southern Connecticut State University (SCSU) exists for the primary purpose of furthering academic excellence; and

Whereas, The SCSU Faculty Senate is the official representative body of the Academic Faculty; and

Whereas, Indigenous Peoples have lived in the Western Hemisphere, including on the land upon which Southern Connecticut State University sits, for at least 12,000 years and perhaps as much as 40,000 years (according to recent archaeological estimates) prior to European arrivals; and

Whereas, Indigenous Peoples continue to live throughout the Western Hemisphere today, including in Connecticut; and

Whereas, the histories and cultures of Indigenous Peoples—including their past and ongoing experiences with European settler colonialism—remain insufficiently acknowledged and understood by non-Indigenous Peoples; and

Whereas, Indigenous Peoples’ Day was first proposed in 1977 by a delegation of Native Nations to the United Nations-sponsored International Conference on Discrimination Against Indigenous Populations in the Americas; and

Whereas, Indigenous Peoples’ Day has been adopted by many other campuses, municipalities, townships, and states; and

Whereas, Southern Connecticut State University is a welcoming community that is dedicated to social justice and embraces all peoples. Now, therefore be it

Resolved, That the Faculty Senate of Southern Connecticut State University, henceforth, designates the second Monday in October as “Indigenous Peoples’ Day” as one way to continually strive to better acknowledge and understand the long, complex, dynamic, and ongoing histories and cultures of Indigenous Peoples, and as one way to signal our active commitment to pursuing conversations, collaborations, partnerships, and reconciliations with contemporary Indigenous communities.
