Student Policy Committee Meeting
12:10PM, September 8th, 2021

Kate Marsland had to step down due to health reasons and Maria Diamantis assisted by Barbara Cook and Bill Farley will continue the work on the Student Policy Committee.

Items that the committee will be working on this semester:

- Policies on Pass/Fail Withdrawal; Incompletes; Make some of these permanent policy changes.
- Academic misconduct policy – where does this stand? Do we have Jules' comments on the final draft from Spring?
- Update to the code of conduct for students/faculty relating to falsification of data?
 - Finding middle ground with Jules on trusting faculty but also holding faculty accountable when necessary
