Student Policy Committee Report to the FS

Wednesday, December 1, 2021

a) Removal of PIN to register after 11/29/21

• This was a response to enrollment issues – decline of enrollment
• Advising this semester has been successful and this removal of PIN requirement will make it easier for outside SCSU students to sign up
• This is a policy shift and not a new policy, thus, no need for FS to approve. The SPC feels that this communication is important for transparency and to keep shared governance avenue open, to avoid miscommunications.
b) Dr. Tyree’s Email communication - Midterm Grades

- Dr. Tyree received communication from different cohort meetings (residential students, students affiliated with USP, multicultural organizations, peer mentors’ feedback, etc) in reference to the complex challenges our students are facing. Thus, her email to remind us to continue assisting our students as we can.

- One potential connection seems to be the Midterm Grades (MG) reports.

- Alicia Carroll was asked to run some data on MG reporting from semesters prior to COVID, amongst different cohorts (1st year students, sophomores, juniors, seniors), and across the teaching modalities.

![Midterm Grade Distribution (UG) Graph]

- The graph above shows the distribution of midterm grades across different cohorts and semesters.
What’s next?
Couple questions as we look at the data a little more...

- What trends do we see?
  On a quick look: grade distribution across semester and modalities are similar.

- What fluctuations do we observe?
  Some fluctuation on D’s and F’s.

- What does an I mean as MG?
  MAT 100 P’s? Online courses with modules, which students work independent outside the time frame of MG
- As the SPC members reflected on the MG, how can we report MG’s to be more meaningful, perhaps with a checklist:

A: You are doing great and are ahead of schedule in finishing your assignments
B: You are just about on track finishing your assignments
C: You are a little behind on finishing your assignments
D: You are well behind on finishing your assignments
I: You have not submitted any work yet

Resolution Regarding Operating Expense Allocation

SOUTHERN CONNECTICUT STATE UNIVERSITY FACULTY SENATE

Resolution Regarding Operating Expense Allocation

Whereas, Southern Connecticut State University (SCSU) exists for the primary purpose of furthering academic excellence;

Whereas, The SCSU Faculty Senate is the official representative body of the Academic Faculty;

Whereas, Section 9.4.7 of the Collective Bargaining Agreement between the Connecticut State University American Association of University Professors and Board of Regents for Higher Education (CBA) specifies that "Each University will allocate funds from its annual budget to departments for the purchase of equipment and supplies," said funds referred to herein as operating expense (OE) funds or OE allocations;

Whereas, Section 9.4.7 of the CBA specifies that "The allotments [of OE funds] will be made by the local University administration after consultation with the departments involved";

Whereas, Section 5.16 of the CBA specifies that "A department shall make its decisions by majority vote of its full-time members, except where otherwise provided for in this Agreement or in the department’s bylaws";

Whereas, Some academic programs also receive an OE allotment;

Whereas, Funds allocated to departments and programs belong to all members of respective units;

Whereas, Therefore, the substance of department and program consultation on OE allotments shall be guided by majority vote of full-time members or other decision-making process specified in a department’s or program’s bylaws;

Whereas, Practices vary widely among departments and programs with regard to the participation of faculty members in framing requests for and determining the use of OE funds, and the provision of information to full-time members about the availability of OE funds to support the work of the department or program and its members;

Whereas, It is understood that the Department Chair and Secretary often manage and track OE funds allocated to a department;

Whereas, OE allocations are a valuable resource that must be handled with transparency;

and

Whereas, The Faculty Senate wishes to promote the involvement of the faculty in developing departmental budget requests and plans for using OE funds, now, therefore, be it

21
Resolved, That to maintain transparency in the acquisition and use of OE funds, academic department and program bylaws shall include processes for ensuring that full-time faculty members shall be included in developing OE budget requests and approving OE allocation spending plans, and shall be informed about the amount and status of departments’ and programs’ OE allocations on a regular basis, at least three times per fiscal year including at least once in November and once in April including at least once near the end of the spring semester, and be it further

Resolved, That upon approval of this resolution all full-time faculty shall be informed of its content and purpose through direct communication from the Faculty Senate.
Whereas, Southern Connecticut State University (SCSU) exists for the primary purpose of furthering academic excellence;

Whereas, The SCSU Faculty Senate is the official representative body of the Academic Faculty;

Whereas, SCSU is a university focused on social justice;

Whereas, Social justice is the view that everyone deserves equal economic, political and social rights and opportunities (National Association of Social Workers);

Whereas, SCSU has a responsibility not only to promote a lively and fearless freedom of debate and deliberation, but also to protect that freedom when others attempt to restrict it;

Whereas, Because SCSU is committed to free and open inquiry in all matters, it guarantees all members of the SCSU community the broadest possible latitude to speak, write, listen, challenge, and learn;

Whereas, A student’s grades and an employee’s employment status should not be affected by their opinions alone; and

Whereas, Although members of the SCSU community are free to criticize and contest the views expressed on campus, they may not obstruct or otherwise interfere with the freedom of others to express views they reject or even loathe; now, therefore, be it

Resolved, That SCSU adopt the following statement on freedom of expression:

All university employees and students have the right to express their logically or factually substantiated opinions or ideas in the proper venue and time without repercussions.
