### ***Message from the Director of Orientation, Transition & Family Engagement***

Dear Parents and Families!

**We are now entering the sixth week of the semester.** This week is Leadership Week when we encourage all of our students to explore different leadership opportunities available to them. Included in "This Week at Southern," you will see a number of programs and activities designed for students to consider how they can develop critical leadership skills that will help prepare them throughout their collegiate careers and especially in their future endeavors.

It is also important to note that mid-terms are just around the corner and many students may have already been assigned major assignments including essays, projects, presentations and exams. As you connect with your students, encourage them to visit the Center of Academic Success and Accessibility Services not only if they struggle with a specific course or assignment but also to ensure they are achieving their goals. Even the best student has the ability to improve and prepare!

**Parent and Family Day-** Registration is open! and Family Day will be Saturday ,October 15<sup>th</sup> from 10am to 2pm. In addition to Parent and Family Day, we will be celebrating our traditional Homecoming as parents, families and alumni will attend many of the festivities together. The day will begin with brunch in Connecticut Hall followed by a Homecoming Festival by Jess Dow Field where we will have carnival games, inflatables, music and more. Our homecoming football game begins at 2pm where the Owls face the Franklin Pierce Ravens. Families may choose to attend the Crescent Players show, "Once on this Island," at an additional cost.
