Message from the Director of Orientation, Transition & Family Engagement

Dear Parents and Families!

Happy Week 12! This is the final full week before Thanksgiving recess. This is an important week for students to spend time assessing their courses and making sure they are registered for the Spring 2023 courses. As a reminder, the **last Day to withdraw** from a course is Sunday November 20th (<https://inside.southernct.edu/onestop/withdrawal>). Please encourage your students to connect with their advisor if they are considering withdrawing from a course. Today **first-year students** were able to register for their **Spring 2022 courses**. At this point, all students returning for the Spring 2023 should be registered. If they are not, please encourage them to do so as soon as possible.

Lastly, for families that attend Family Day in October and did not receive their t-shirts, they are ready to be picked up! Please ask your students to stop by our office located on the 3rd floor of the library!

Have a great week and please let us know if we can be of any support to you!

Sincerely,

Sal Rizza
Director of Orientation, Transition & Family Engagement
