Elections Committee Minutes February 25, 2023

Carmen Coury, Klay Kruczek, Jonathan O'Hara, Daniel Swartz

Term Limits for All-University Committee Chairs: we discussed this topic and thought 6 years may be the right length. We feel a limit is necessary, especially since we need to take advantage of the knowledge from past chairs. At a future full Senate meeting, we'd like input from the Senators before drafting a resolution.

Increasing Response Rates on Student Opinion Surveys: We have reached out to SGA to get their ideas on how to encourage students to fill these out. We are waiting on a meeting time.
