Attendees: Klay Kruczek

All-University Committee Fall 2023 Elections: The Chair of the Elections Committee will send out a reminder email to all full-time faculty members to cast a ballot in the All-University Committee Fall 2023 Elections, due by Friday 9/29 at noon.

Part-Time Faculty Senator Self-Nominations for Fall 2023 Elections: The Chair of the Elections Committee sent out a call for self-nominations to part-time faculty members interested in joining Faculty Senate. The deadline for self-nominations is 10/6, so that we can have elections done by 10/16 and the newly elected senators at the full Senate meeting on 10/18.

Global Education Advisory Committee: The Chair of the Elections Committee reached out to the Global Education Advisory Committee to see the status of the new bylaws, which will be voted on by the Senate at a future meeting.

Future Agenda Item: Collaborate with SCSU AAUP to survey all faculty to gather feedback on items similar to the May 2023 retreat, including Institutional Identity, with a goal of wider faculty input.
