Program Notes

This curricular map is designed for entering first-year students, assuming placement in MAT 122 and the 101-level of a world language. Students that place in MAT 100/100P or 111/112 and transfer students should consult an advisor to develop a personalized curriculum map. A MAT GPA of 2.0 is required, and only one grade below C- is acceptable. Three writing intensive courses ('W' courses) are required. For more information regarding academic requirements, including the Liberal Education Program (LEP), please visit the program page at <http://catalog.southernct.edu>. Any questions about academic requirements should be directed to an advisor.
