Dear Families,

The Spring semester always seems to go so fast! The semester started over a month ago and at the end of this week we will enter March. This week is Career

Readiness week. Below you will see the information regarding our Career and Industry Fairs on February 26th and 27th. This is an incredible opportunity for students to explore job opportunities and internships.

We would also like to take a moment to highlight the services our wellbeing offices offer. In the News and Notes section you'll see a flyer promoting these valuable resources including our Counseling Center, Health Services and more. This was sent to all students today. Please encourage your students to consider engaging with these incredible resources.

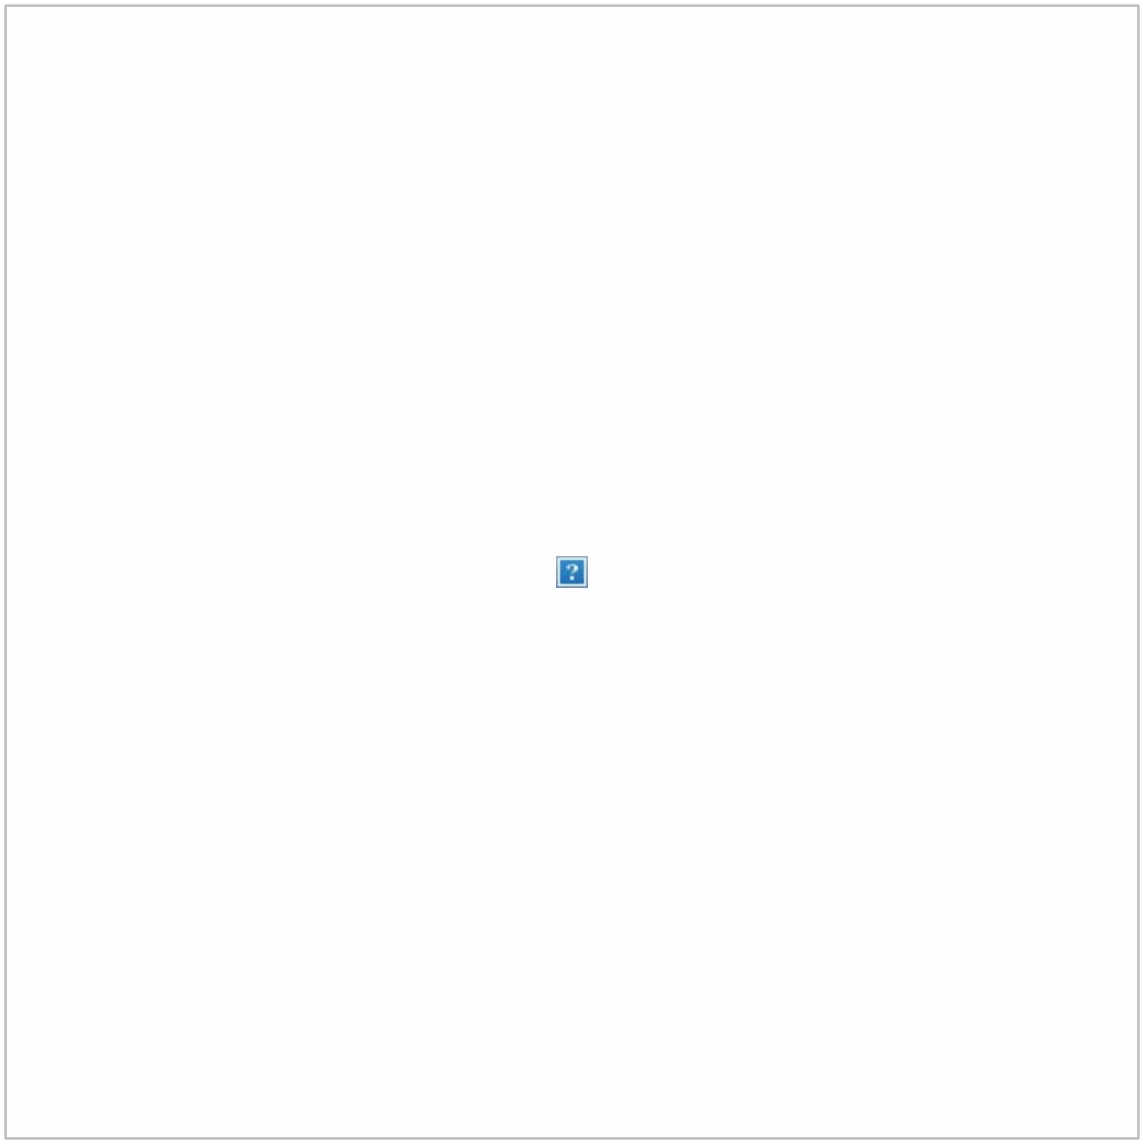

I've also noticed quite a few questions regarding Commencement. Both the Undergraduate and Graduate ceremonies will be held at Total Mortgage Arena on Thursday, May 22nd with the Undergraduate Ceremony beginning at 10:15am and the Graduate Ceremony beginning at 4:30pm. More information will be announced soon on the [Commencement Website](#).

Please know that our office is here to support not only students, but all of you! If we can be of support, please reach out to us.

Sincerely,

Sal Rizza
Director of Orientation, Transition & Family Engagement
