AY 2022 – Summary of Faculty Senate Resolutions

Number	Date	Resolution Regarding...	For	Disposition	Comments
F-2021-01	2021-Sept-15	University Event Guidelines for Fall 2021	Approval	Disapproved	The University is already implementing the bulk of what is outlined in the resolution. However, the institution does not have the ability to implement the final portion of the resolution, nor does the administration believe this specific recommendation is not necessary at this time. Finally, I am not comfortable approving something we cannot fully commit to or implement. (Please refer to Appendix A for a response from Dr. Tracy Tyree, Vice President for Student Affairs)

S-2022-13	2022-Mar-09	Course Enrollment Caps in Writing Intensive (“W”), “Inquiry”, “Critical Thinking” and ENG 112 Courses	Approval	Disapproved	The implementation cost of this resolution in 2022-23 is estimated to be nearly \$500K. Given the current projected budget deficit (\$25M) and the likelihood that the state appropriation may not cover this gap, it is simply not fiscally prudent to make this move.
S-2022-14	2022-Mar-09	The Faculty Scholar Award	Approval	Approved	
S-2022-15	2022-Mar-30	COVID Policy	Information	Noted	I do not believe that this resolution fairly and accurately reflects the actions of the administration. To state that, “policy decisions have inappropriately prioritized political and economic considerations over the health and well-being of faculty, staff, students and their families,” minimizes the tireless hours of hard work by dedicated staff and administrators (most of whom worked “on ground”) to ensure the health, safety and well-being of the Southern community.

S-2022-20	2022-Apr-27	The Adoption of the Promotion and Tenure Guidebooks	Information	Noted	
S-2022-21	2022-May-04	Proposed Changes to the Chairperson Document	Approval	Approved	
S-2022-22	2022-May-04	The Composition of the CSU Professorship Advisory Committee	Approval	Approved
