

Adobe Graduation: Student Asset Migration

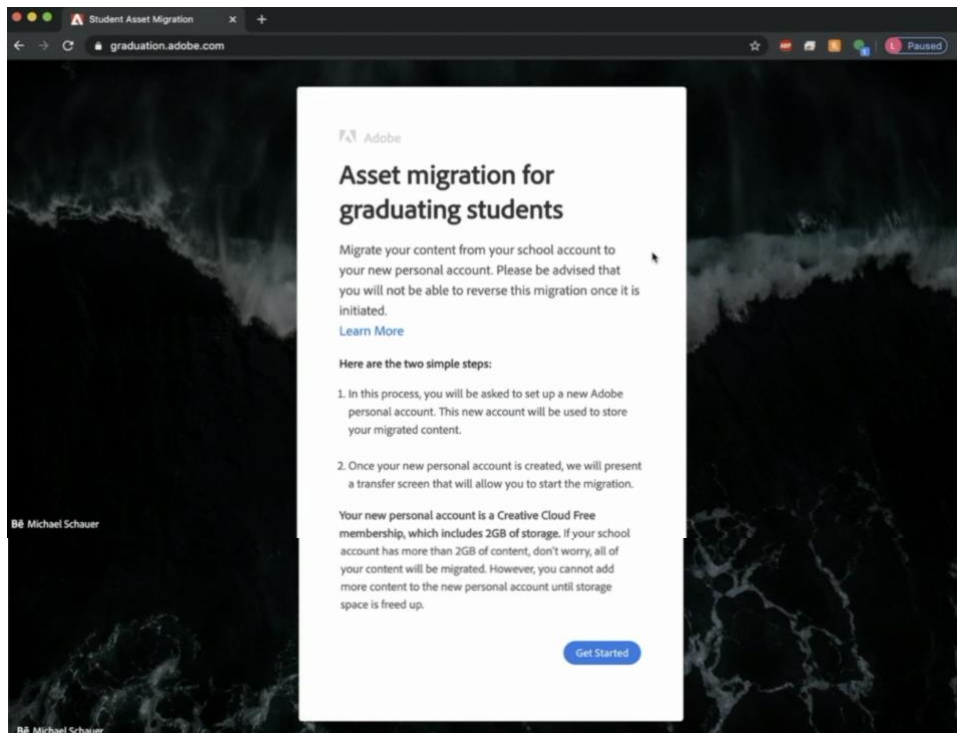

Introduction	1
Migration Process	1

Introduction

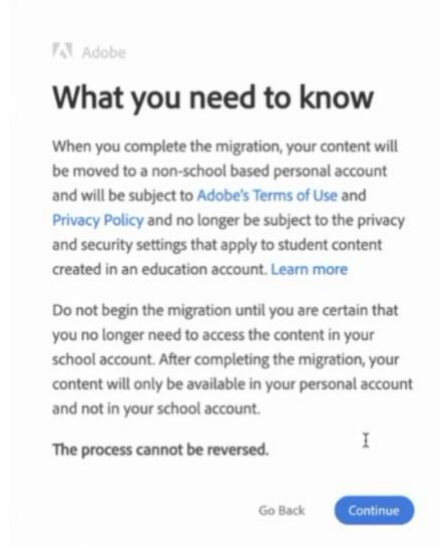

Adobe’s Student Asset Migration allows graduating students to migrate their assets from their school-assigned Adobe Creative Cloud accounts to new Creative Cloud free membership accounts. This membership includes trial versions of most of Adobe’s creative apps. Graduates can easily upgrade to get full versions of the apps and services that were included in their school accounts.

Migration Process

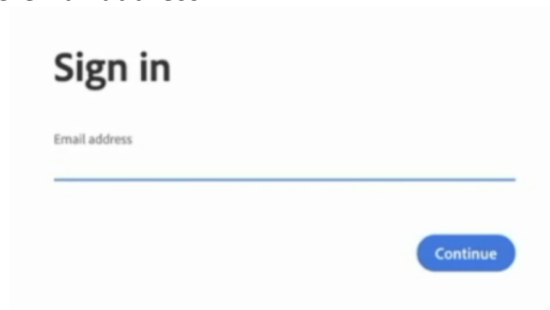

1. Go to: graduation.adobe.com.
2. Review the process and select “Get Started”.

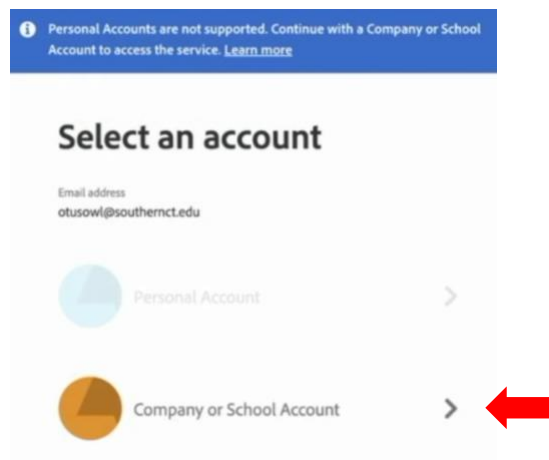

3. Note the precautions outlined by Adobe before selecting “Continue”.

4. Sign in using your full SCSU email address.

5. Select “Company or School Account”.

6. Enter your password.

The screenshot shows the login page for Southern Connecticut State University. At the top left is the university's logo. Below it, the email address 'otusowl@southernct.edu' is displayed. The main heading is 'Enter password'. There is a password input field with a blue underline. Below the field are two links: 'Forgot my password' and 'Sign in with another account'. At the bottom right is a blue 'Sign in' button.

7. Authenticate your account.

The screenshot shows the authentication page for Southern Connecticut State University. At the top left is the university's logo. Below it, the email address 'otusowl@southernct.edu' is displayed. The main heading is 'Enter code'. There is a checkbox with the text 'We texted your phone +X XXXXXXXX36. Please enter the code to sign in.' Below this is a code input field with a blue underline. There is another checkbox with the text 'Don't ask again for 60 days'. Below that is a link 'Having trouble? Sign in another way' and another link 'More information'. At the bottom right is a blue 'Verify' button.

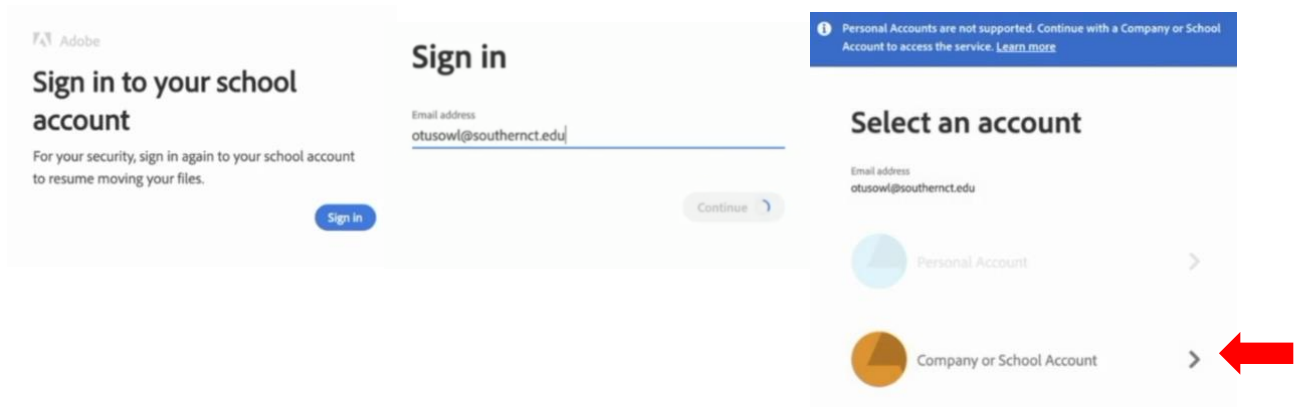

8. Here, you will create your personal Adobe account. Enter your personal, non-SCSU email address, name, a newly created password, and birthdate. Select "Create account" when finished.

The screenshot shows the 'Create an account' page for Adobe. The heading is 'Create an account'. There are several input fields: 'Email address', 'First name', 'Last name', 'Password', 'Date of birth' (with sub-fields for Month, Day, and Year), and 'Country/Region'. Below the fields is a section for terms and conditions, starting with 'By clicking Create account, I agree that:' followed by two bullet points. At the bottom right is a blue 'Create account' button.

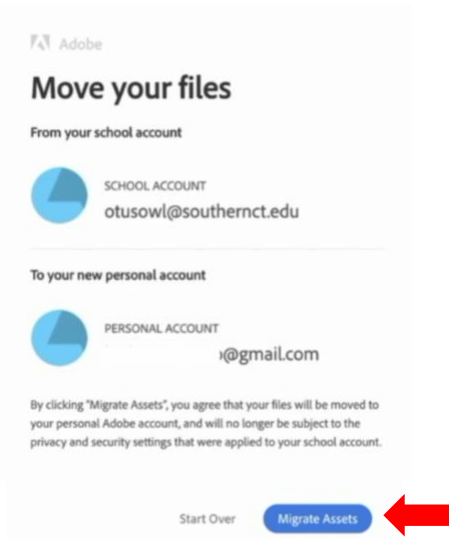

9. A verification code will be sent to your personal email address. Retrieve and enter the code.

The screenshot shows the 'Verify your identity' page for Adobe. The heading is 'Verify your identity'. There is an envelope icon and the text 'Enter the code we just sent to @gmail.com'. Below this is a row of six input boxes for the verification code. At the bottom are two links: 'Back' and 'Resend Code'.

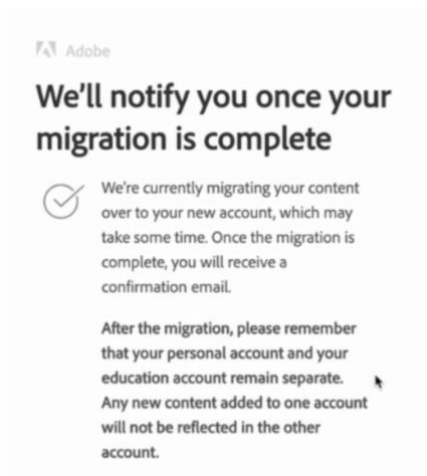

10. Select “Sign in” and once again sign in using your full SCSU email address and select “Company or School Account”.

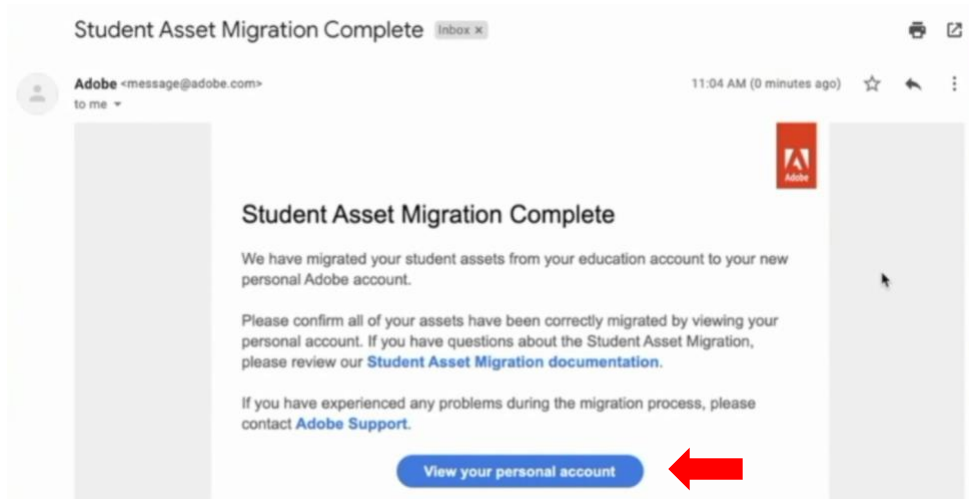

11. Verify the email addressed from which the assets will be migrating from and to. Select “Migrate Assets” when confirmed.

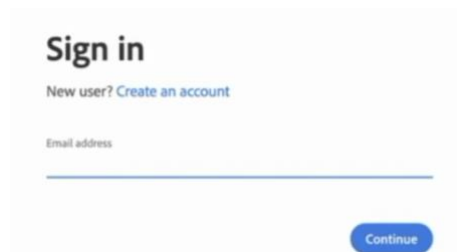

12. Adobe will send an email to your personal email address when finished moving the files.

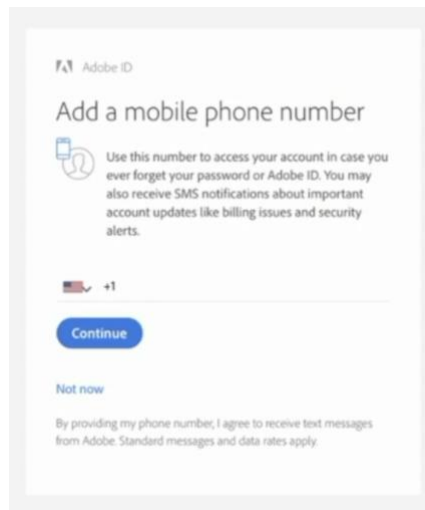

13. Select “View your personal account” within this email to review.

14. Sign in with your personal email address and password.

15. Add a mobile phone number if you wish to assist with resetting your Adobe password in the future.

16. Your migrated files will appear here. Explore the various areas your files may be located.
