# Message from the Director

Dear Owl Families,

Happy Day 1 of the Fall 2025 Semester!

As the semester begins, we hope that you are all doing well. Based on what we've seen the past few days, your students seem to be doing great! However, we know that some students may be struggling with either the transition to a new college experience or stumbling as they return to a new semester. One of the goals of Orientation, Transition & Family Engagement is to support parents, families and supporters in guiding their students in achieving their goals. In addition to regular emails, invite you to visit the [Parent and Family Website](#) for valuable information and we are happy to connect individually via email, video chat or phone.

Please also save the date for **Family Day** which will be held on **Saturday, October 4<sup>th</sup>**! Family Day is part of Southern's Homecoming and promises to be a fun-filled and spirited experience. Last year, we had over 800 family members in attendance. We hope to open registration by September 5th.

Please know that our office is here to support not only students, but all of you! If we can be of support, please reach out to us.

Sincerely,

Sal Rizza
