View Vendor Detail History - FAIVNDH

- 1. Enter Banner ID or Vendor ID Number. Press TAB on your keyboard.
- 2. If you're unable to locate the Vendor ID Number...see step 9 below.
- 3. The current fiscal year will default in this field, but if you'd like to see a broader range of invoice payments, delete the value. Press TAB on your keyboard.
- 4. Click "Go".

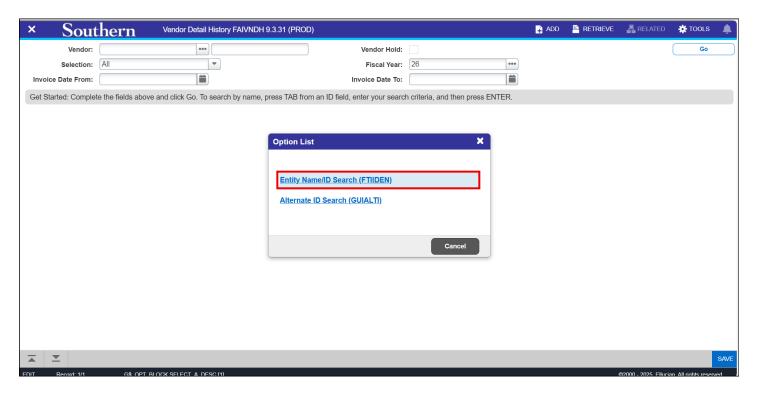

- 5. Depending on the specific detail search, you can sort by clicking on the column header.
- 6. Sorting by "Due Date" will show you the most recent payments processed.
- 7. Sorting by "Vendor Invoice" will list invoices A-Z, or numerically.
- 8. Once the proper invoice is located, the detail history line will contain basic payment information
 - a. NOTE: The check number written as a number (i.e. 00550496), denotes that a check has been sent via USPS.
 - b. NOTE: The check number written as !number (i.e. !00550496), denotes that a check has been sent via direct deposit.

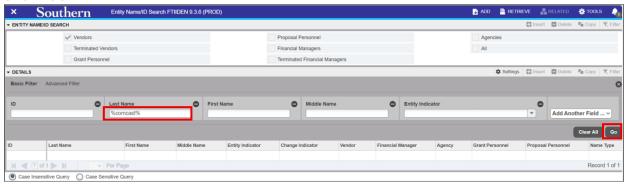

9. Click the three dots next to the Vendor field

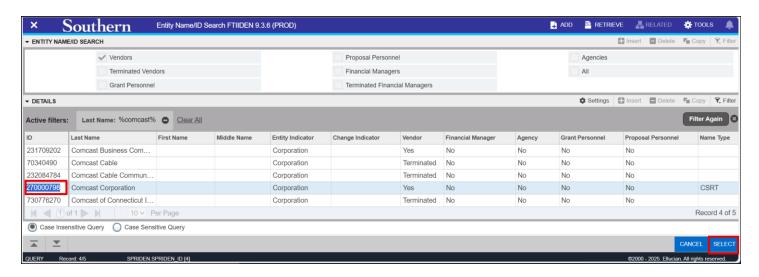

10. Click "Entity Name/ID Search (FTIIDEN)".

- 11. For a Vendor search...in the "Last Name" field, enter some portion of the vendor's name (i.e. %comcast%).
 - a. Utlizing the "%" acts as a wild card. This tells banner to search the database for any vendor with comcast anywhere in the name broadening the search results.
- 12. For a Person search...in the "Last Name" field, enter some portion of the person's last name (i.e. %smith%).
 - a. Utlizing the "%" acts as a wild card. This tells banner to search the database for any vendor with smith anywhere in the last name broadening the search results.
- 13. Click "Go".

- 14. Click on the appropriate "ID".
- 15. Click "SELECT".
 - a. This will bring you back to the Vendor Detail Screen (FAIVNDH) to resume your search.

- 16. This will bring you back to the Vendor Detail Screen (FAIVNDH) to resume your search with the Vendor field populated with the selected vendor number.
- 17. Resume your query with Step 3 above.
