HOUSING ACCOMMODATION/ASSISTANCE ANIMAL LICENSED PROFESSIONAL FORM

Student’s Name: ____________________________________________________________

Type of animal and breed: __________________________

The above-named student has indicated that you are the treatment provider who has prescribed an emotional support animal in the residence hall to alleviate one or more of the identified symptoms or effects of the student’s disability. We will accept documentation from licensed professionals in the State of Connecticut or the applicant’s home state. So that we may better evaluate the request for this accommodation, please answer the following questions:

Section I. Information about the Applicant’s Disability

What is the nature of the applicant’s physical or mental health impairment and how does this impairment substantially limit their ability to perform a major life activity?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Please identify if the individual is using any measure (e.g., prescriptions, treatment, therapy, etc.) that may mitigate the limitations caused by their impairment and, if so, if the mitigating measure(s) eliminates the substantial limitations.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
Does the applicant require ongoing treatment?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

How long have you been working with the applicant regarding this mental health diagnosis?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Section II.

Information about the Proposed Emotional Support Animal

Is this an animal that you specifically prescribed as part of treatment for the applicant, or is it a pet that you believe will have a beneficial effect for the applicant while in residence on campus?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

If you did not prescribe this emotional support animal, who did?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

How long has the applicant had this emotional support animal?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Southern Connecticut State University reserves the right to amend this form at any time, as circumstances require, 06/22/2022
Is this assistance animal a preferred method of treatment? Please explain.
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Is this assistance animal a complementary/adjunct method of treatment? Please explain.
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

What symptoms will be reduced by having the assistance animal?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

If the student lived in campus housing without an assistance animal, please explain how they managed their symptoms?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
Is this animal necessary to afford the individual with a disability an equal opportunity to reside in a University housing? Please explain.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Is there evidence that an assistance animal has helped this applicant in the past or currently?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Section III.

Importance of Assistance Animal to Applicant’s Well-Being

1) Please explain how the accommodation is necessary for the applicant to use University housing as compared to a person without a disability?

____________________________________________________________________________________
____________________________________________________________________________________
____________________________________________________________________________________
____________________________________________________________________________________

2) Please explain any other accommodation that may be equally effective in allowing the applicant to use and enjoy University housing?

____________________________________________________________________________________
____________________________________________________________________________________
____________________________________________________________________________________
____________________________________________________________________________________
What consequences, in terms of disability symptomology, may result if the accommodation is not approved?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Have you discussed the responsibilities associated with properly caring for an animal while engaged in typical college activities and residing in university housing? Do you believe those responsibilities might exacerbate the applicant’s symptoms in any way?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
Thank you for taking the time to complete this form. We recognize that having an assistance animal in the residence hall can be a real benefit, however the practical limitations of our housing arrangements make it necessary to carefully consider the impact of the request for an assistance animal on both the applicant and the campus community.
