Opportunities - please contact me if you are interested in any of the following. These positions will stay open until the end of this week for Senators, at which time they will be made available to the entire faculty.

SGPS Strategic Planning Group (SPG) - A committee member is sought to participate in the School of Graduate and Professional Studies, SGPS Strategic Planning Group (SPG). The goal of the committee is to refresh the SGPS strategic plan and plan and create a long-term vision for sustainably. The SPG and its subcommittees will focus on developing the mission, vision, core values, goals, objectives, tactical action plans, and assessment activities needed to increase graduate enrollment, improve retention, and foster new program development. Our aspiration is to build graduate programs that achieve and maintain academic excellence, provide an equitable, inclusive, and supportive environment for faculty, staff, and students, and place SGPS on the global map of Graduate Education.

Continuing Education Initiative with SGPS - Several committee members are sought to work with the SGPS on collaboratively developing continuing education programs, both credit-bearing and non-
