

FIRST RESPONDER VIRTUAL TRAINING IN AUTISM

- **First responders will be trained on common issues and concerns when interacting and treating patients with autism. To receive 2 CMEs, participants must view the two virtual presentations.**
- **Upon registration, participants will receive a link to the pre-recorded presentation and an invitation to a live Zoom discussion with a team member.**
- **You do not have to be available for the Zoom presentation to sign up. More dates will be available.**
