**LEARNING  
PROGRAM**

*Prepare for entry-level digital jobs by earning Google Professional Certificates.*

Make your resume more competitive with a credential from Google. Southern has partnered with Google Career Academy to offer flexible online training programs designed to put you on the fast track to jobs in high-growth fields.

- *Get professional-level training with Google Certificates*
- *No experience necessary*
- *Learn job-ready skills even with no relevant experience or a post-secondary degree.*
- *Learn at your own pace*
- *Complete the online program on your own time and set your own schedule.*
- *Stand out to employers and compliment your degree.*

82% of Google Certificate graduates report a positive career outcome like a new job, enhanced skills, promotion, or raise within six months.
