

OneDrive – Web Access

Introduction	1
Accessing OneDrive Online	1

Introduction

In this document you will find out how to access OneDrive, our cloud based storage system, online through the MyApps portal.

Accessing OneDrive Online

1. Open an internet browser on your device. (Safari, Firefox, Internet Explorer, Google Chrome)

- 2. Go to the website myapps.southernct.edu.
- 3. Sign in with your full SCSU email address and password. If you are off the campus network, you will be prompted to authenticate your account.

Southern Scienticut State University					
e @southernct.edu					
Enter password					
Forgot my password					
	Sign in				

4. Once signed in, locate the OneDrive app and click on it to open.
