

Hickerson Hall

Hickerson Hall is a traditional on-campus residence hall with double-occupancy rooms and community bathrooms. Residents have access to on-floor laundry, lounges, and kitchen areas. Recreation equipment and lounge space are also available on the first floor and in the building's basement.

Sustainability Themed Community (0-24 credits)

For first- and second-year students interested in green initiatives including recycling and energy conservation:

- Enjoy environmentally-themed programs
- Recommend and advise implementation of sustainable practices in the residence halls

Wilkinson Hall

Neff Hall is a traditional on-campus residence hall that offers single-occupancy rooms and community bathrooms. Residents have access to on-floor laundry, lounges with large study tables, and kitchen areas. Recreation equipment and lounge space are also available on the first floor and in the building's basement.

First-Generation Themed Community (0-24 credits)

For students who are the first in their family to graduate from college:

- Share the experience with your first-generation peers as you navigate college life
- Receive increased support from SCSU student leaders, administrators, and faculty members

who were also first-generation college students

Still Exploring Majors Living-Living Community (0-59 credits)

For students who are still deciding what they would like to choose to major in:

- Explore major choices that are connected to career options
- Receive additional support from SCSU student leaders and get connected to campus resources

Chase Hall

Chase Hall is a traditional on-campus residence hall with double-occupancy rooms and community bathrooms. Residents have access to on-floor laundry, lounges, and kitchen areas. Recreation equipment and lounge space are also available on the first floor and in the building's basement.

Health Professions Living-Learning Community (0-24 credits)

For students who are interested in health-related fields:

- Live with other students with similar interests in health-related fields
- Receive support from current SCSU students with similar academic and social interests

Farnham Hall

Farnham Hall is a traditional on-campus residence hall with double-occupancy rooms and community bathrooms. Residents have access to on-floor laundry, lounges, and kitchen areas; a video game room on the first floor; and additional recreation equipment in the building's spacious lobby lounge. Farnham Hall is also home to the Farnham Programming Space, Residence Life's evening and weekend programming venue open to all Southern students.

Neff Hall

Neff Hall is a traditional on-campus residence hall that offers single-occupancy rooms and community bathrooms. Residents have access to on-floor laundry, lounges with large study tables, and kitchen areas. Recreation equipment and lounge space are also available on the first floor and in the building's basement.

Brownell Hall

Brownell Hall offers suite-style living for four or six students in double-occupancy bedrooms. Each suite includes a bathroom, living room, and pantry. Some suites also include a kitchen, and all rooms are air-conditioned. Residents have access to open study spaces, a TV lounge/video game room and kitchen area on the third floor; pool and foosball tables; and laundry on the first floor. Brownell residents who live in a suite without a kitchen are required to purchase a full meal plan. Students living in on-campus apartments with a kitchen are required to purchase a per-semester block meal plan.

Sophomore Experience Themed Community (30+ credits)

For students who have attained a sophomore status at the university and are seeking to make more on-campus connections:

- Live with other students who are in a similar position in their college experience
- Participate in specialized programming geared toward emerging professionals, career exploration, and more!

West Campus Residence Complex

The West Campus Residence Complex offers four-person, single bedroom suites as well as standard double-occupancy rooms with community bathrooms. All rooms are air-conditioned. Residents have access to social and quiet study lounges, a computer lab, a video game room, a large laundry facility and kitchen area on the first floor, and recreation equipment.

Honors Living-Learning Community (0-59 credits)

For students who are accepted into the Honors College at Southern:

- Live and study with other students who are engaged in this interdisciplinary program
- Participate in social opportunities and educationally enriching programs with like-minded residents

Schwartz Hall

Schwartz Hall offers housing accommodations for upperclassmen in two- or four-person apartments. All apartments are furnished and feature carpeting, air conditioning, storage space, and full kitchens. A community lounge is available on the first floor, and several campus resources are located within the building: Office of Residence Life; Violence Prevention, Victim Advocacy and Support Center (VPAS); and Wellness Center. A full laundry room is available for residents' use in the basement. Students living in on-campus apartments with a kitchen are required to purchase a per-semester block meal plan.

Transfer Student Themed Community (30+ credits)

For students who are continuing their college education but who are new to SCSU:

- Live with other transfer students having the same experience as you
- Live amongst students who transferred previously and are now enjoying success at SCSU

North Campus Residence Complex

The North Campus Residence Complex includes both the large Midrise building and the individual Townhouse units. Upper-class students can request four-person accommodations in either the Midrise or the Townhouses, both of which feature carpeting, air conditioning, storage spaces, and full kitchens. A community quiet study area and the North Campus computer lab are located on the first floor of the Midrise; both spaces are accessible to Midrise and Townhouse residents. Laundry facilities are located on each floor in the Midrise as well, and the first-floor Marketplace serves as a convenience store for all Southern students. Students living in on-campus apartments with a kitchen are required to purchase a per-semester block meal plan.

Global Living Themed Community(45+ credits)

For juniors and seniors who wish to explore cultures of the world and global citizenship:

- Available to both domestic and international students
- Benefit from opportunities to learn about world culture

North Campus Townhouses

The North Campus Townhouses offer quad-occupancy, apartment-style accommodations for students with 90+ credits. Each townhouse features a separate entrance.

Apartments are equipped with a full-size refrigerator, stove/oven, dishwasher, and sink area. The common area living room in each apartment is fully carpeted and provides two couches, coffee and end tables, and cable TV access. Each of the two bedrooms contains a full bathroom with a shower for use by the residents of that room. Ample closet space and two dressers per bedroom allow for plenty of storage space. Finally, each bedroom also features two beds, two mattresses, two desks, and two chairs. Individual heat and air conditioning units in each bedroom allow for personalized control of the heat of the apartment, and wireless Internet access is available throughout. Townhouse residents have access to amenities located within the Midrise building
