EMPLOYEE ELECTION SECTION - Please check your choice of the options available to you then sign and return to your agency Workers’ Compensation office within ten business days. Failure to return the completed form to the agency will be administered as an election not to utilize accrued leave during the interim period and not to supplement the approved workers’ compensation lost wage benefit.

☐ I elect NOT to use accrued leave during the interim period (after the first day of my incapacity and continuing until such time as a determination of compensation is made).

☐ I elect to use accrued leave during this interim period. By choosing this option I will receive my full base pay while a determination of compensation is being made. I understand that, once a compensation award has been made, I must repay the State an amount equal to the net pay I would have received during such interim period in order for my leave balances to be restored. I further understand that sick leave must be used first, followed by my designated choice of vacation, personal, holiday compensatory time and/or compensatory leave, as designated below.

<table>

<tr>
<th>Indicate the order in which you wish to use leave balances (if any), upon the exhaustion of your sick leave, by entering the number 2,3,4,5 in each box:</th>

</tr>
</thead>
</table>

USE OF ACCRUED LEAVE FOR INTERIM PERIOD

☐ I elect NOT to use any of my accrued leave while I am receiving Workers’ Compensation lost wage benefits.

☐ I elect to use accrued leave, which in addition to the lost wage benefits awarded to me under Workers’ Compensation, will result in my receiving the equivalent of my full base pay while I am receiving Workers’ Compensation lost wage benefits. I further understand that sick leave must be used first, followed by vacation and/or personal leave, as designated below.

STATEMENT OF APPLICANT

I have read and understand the above explanation of the choices available to me as a result of my application for workers’ compensation. Once made, this election cannot be revoked and will remain in effect until all accrued leave (including any future accruals that may be credited to me) is exhausted or until I return to my pre-injury number of scheduled work hours. I agree to the conditions applicable to the choices I have checked above.
