

Teams Installation – Android

Introduction1	-
Installation Proccess1	

Introduction

The following steps will walk you through how to install the Microsoft Teams App on Android device.

Installation Proccess

1. Open the Play Store:

2. Enter "Teams" in the search bar and select "Microsoft Teams".

3. Select "Install", then "Accept" to allow Teams access to the areas listed on the pop-up.

4. Open application when finished:
