11. To add additional concentrations and/or minors, scroll down to the section titled “Additional areas of study”. Use the drop-down menu and click the plus sign "+". Add an additional Concentration by selecting Interdisciplinary Studies as your major and choose your concentration from the drop-down list. Click "Add" when you are finished. If you are in the B.S. program, you cannot select your second and third concentrations at once. To add your third concentration, click the plus sign again once you added your second concentration and complete the above steps for your third concentration.

NOTE : If you know of any specific classes you want to include in this plan, you can add them under the section “Future Classes”. This step is not necessary for a What-If Analysis.
