Introduction

This guide will show how to connect iOS devices (iPhone/iPad) to the Wi-Fi network: Eduroam.

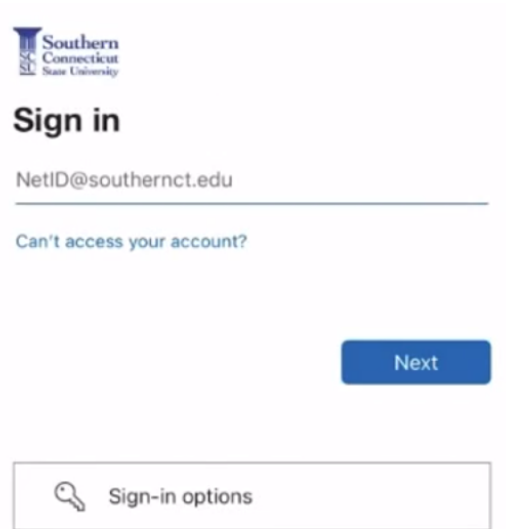

How to connect

1. Open a browser and enter the URL: eduroam.southernct.edu
 - a. You will be directed to the SCSU Eduroam landing page where your device's system will be detected.

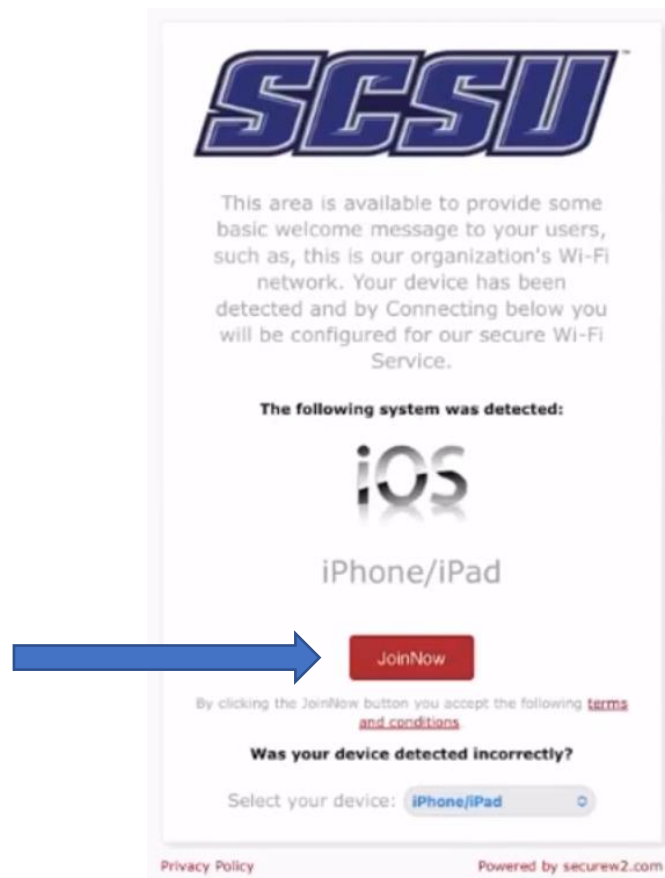

- b. If your device is detected incorrectly, select the correct type below.
- c. When confirmed, click "Sign In".

2. You will be prompted to authenticate your credentials. Enter your full SCSU email address and password.

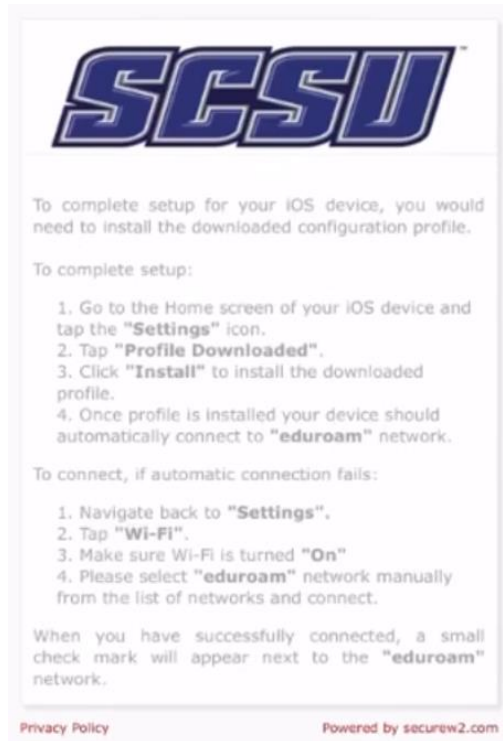

The image shows a web page for signing in to Southern Connecticut State University. At the top left is the SCSU logo. Below it, the text "Sign in" is displayed in a large, bold font. Underneath, there is a text input field containing "NetID@southernct.edu". Below the input field is a link that says "Can't access your account?". To the right of the input field is a blue button labeled "Next". At the bottom of the page, there is a search bar with a magnifying glass icon and the text "Sign-in options".

3. Once your authentication process is fulfilled, the landing page will be re-prompted.

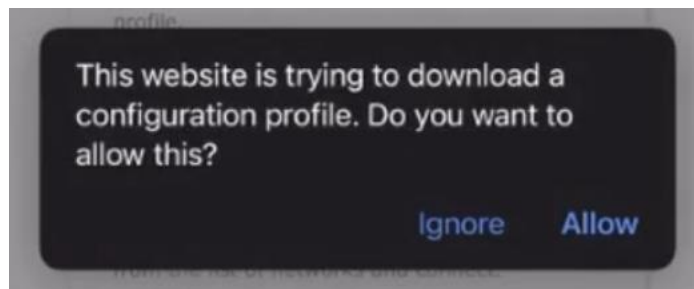

- a. Click "JoinNow".

4. The system will ask for permission to allow configuration.

a. Select "Allow".

b. Choose your Apple device.

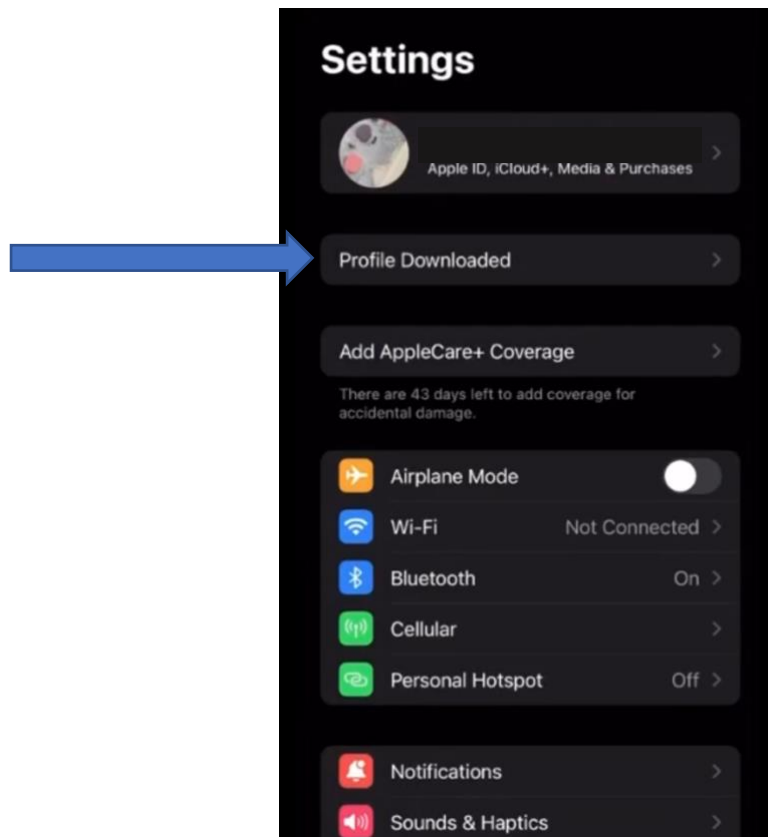

5. A status will show "Profile Downloaded". Select "Close".

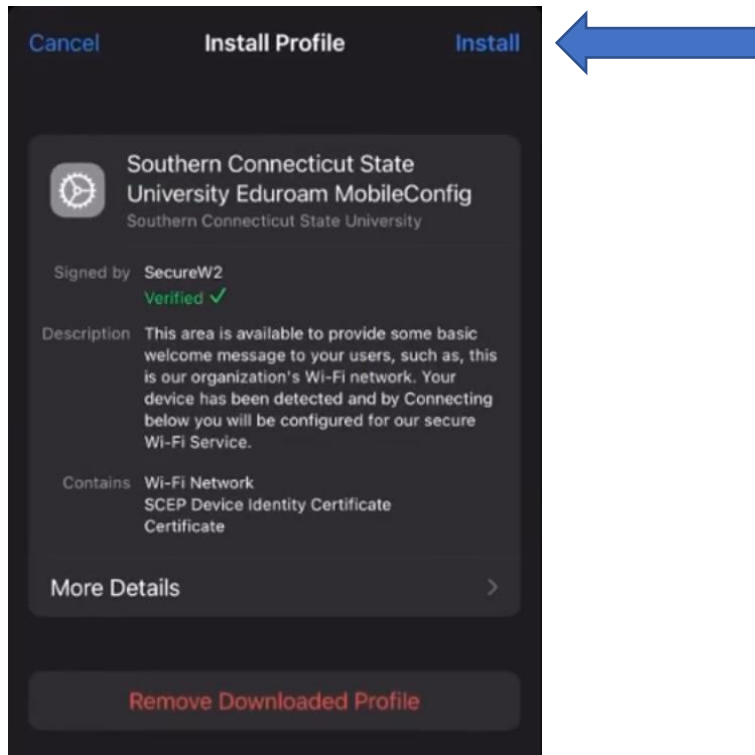

6. Navigate to your device's "Settings".

a. Select "Profile Downloaded".

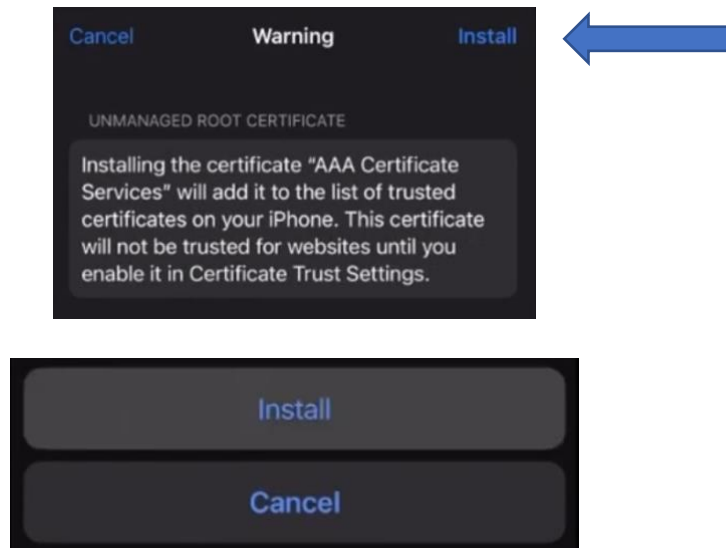

b. click "Install".

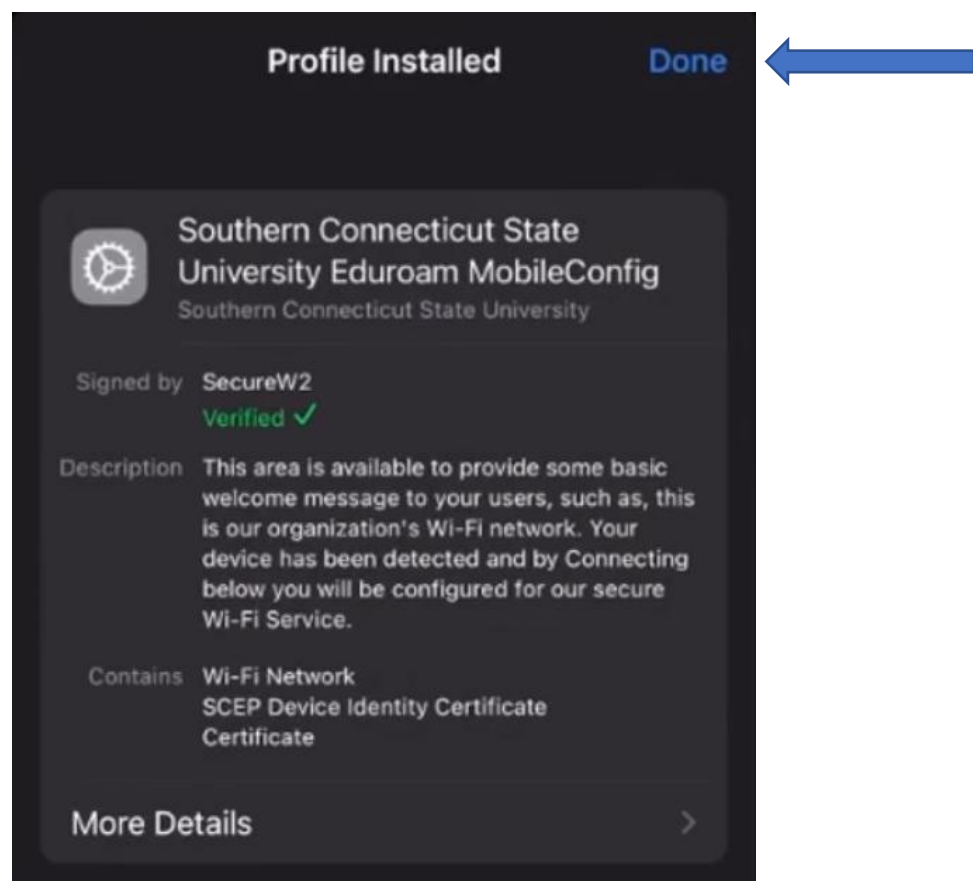

c. Enter your passcode if security is prompted.

d. Once done, select “Install”.

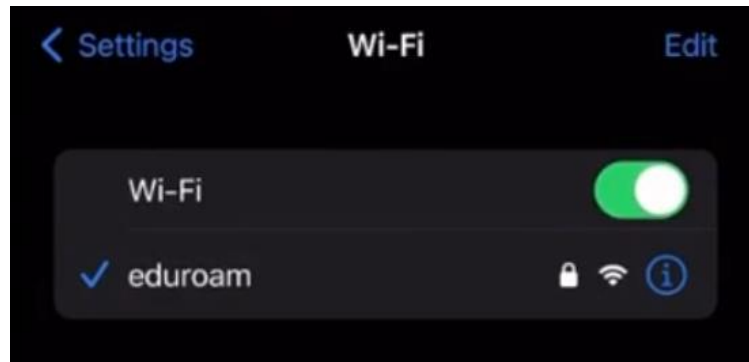

7. Once the profile is verified and installed, click “Done”.
