

Advising and Registration Check List

This is your To-Do List!

It is very important to complete all the items on this checklist before meeting with your INQ instructor for advising

- Download this checklist, the Getting to Know My Degree Eval Exercise, and the Course Selection Worksheet. Make sure to check off items on this list as you complete them.
- Pull up your degree evaluation (see instructions under “other resources”)
 - Check that your major is correct
 - If your major is *not correct*, run a “what-if” analysis for your preferred major
- Complete the “Getting to Know My Degree Eval” Exercise
- Review “Hints for Selecting Courses for Your Second Semester”
- Using both the “Hints” and your degree evaluation, begin to fill out your “Course Selection Worksheet” with the courses you believe you should take next semester (*please know these do not need to be correct! You will review these choices with your INQ instructor well before you register for courses*)
- Watch the “How to Use Schedule Planner” video if needed
- Use Schedule Planner to construct possible schedules for next semester, using the courses on your course selection worksheet.
- “Favorite” three of your preferred schedules
- On the Course Selection Worksheet, jot down any questions you have for your INQ instructor, so you remember to ask them!
- Be sure you have completed all the items on this list and either submit the completed items to your INQ instructor or bring them with you to the advising meeting, whatever your INQ instructor prefers.
