

## Getting to Know your Degree Eval Exercise

This exercise is meant to help you understand which general education (LEP) categories you have met or are in the process of meeting, and which you have left to explore. Please fill this out and bring to your advising meeting with your INQ instructor.

- Scroll down on your Degree Evaluation to “Liberal Education Program Tier 1: Foundations” and note below which categories you have completed or are in the process of completing (bubble on the degree evaluation will be blue if in progress or green if completed).

- Scroll down to your Major Requirements and see if you have completed or are in the process of completing any of your major courses (only some majors have you take courses in the major in your first year). If you have completed any course/s in your major, list them below. You will discuss with your INQ instructor any major courses you should explore next semester.
